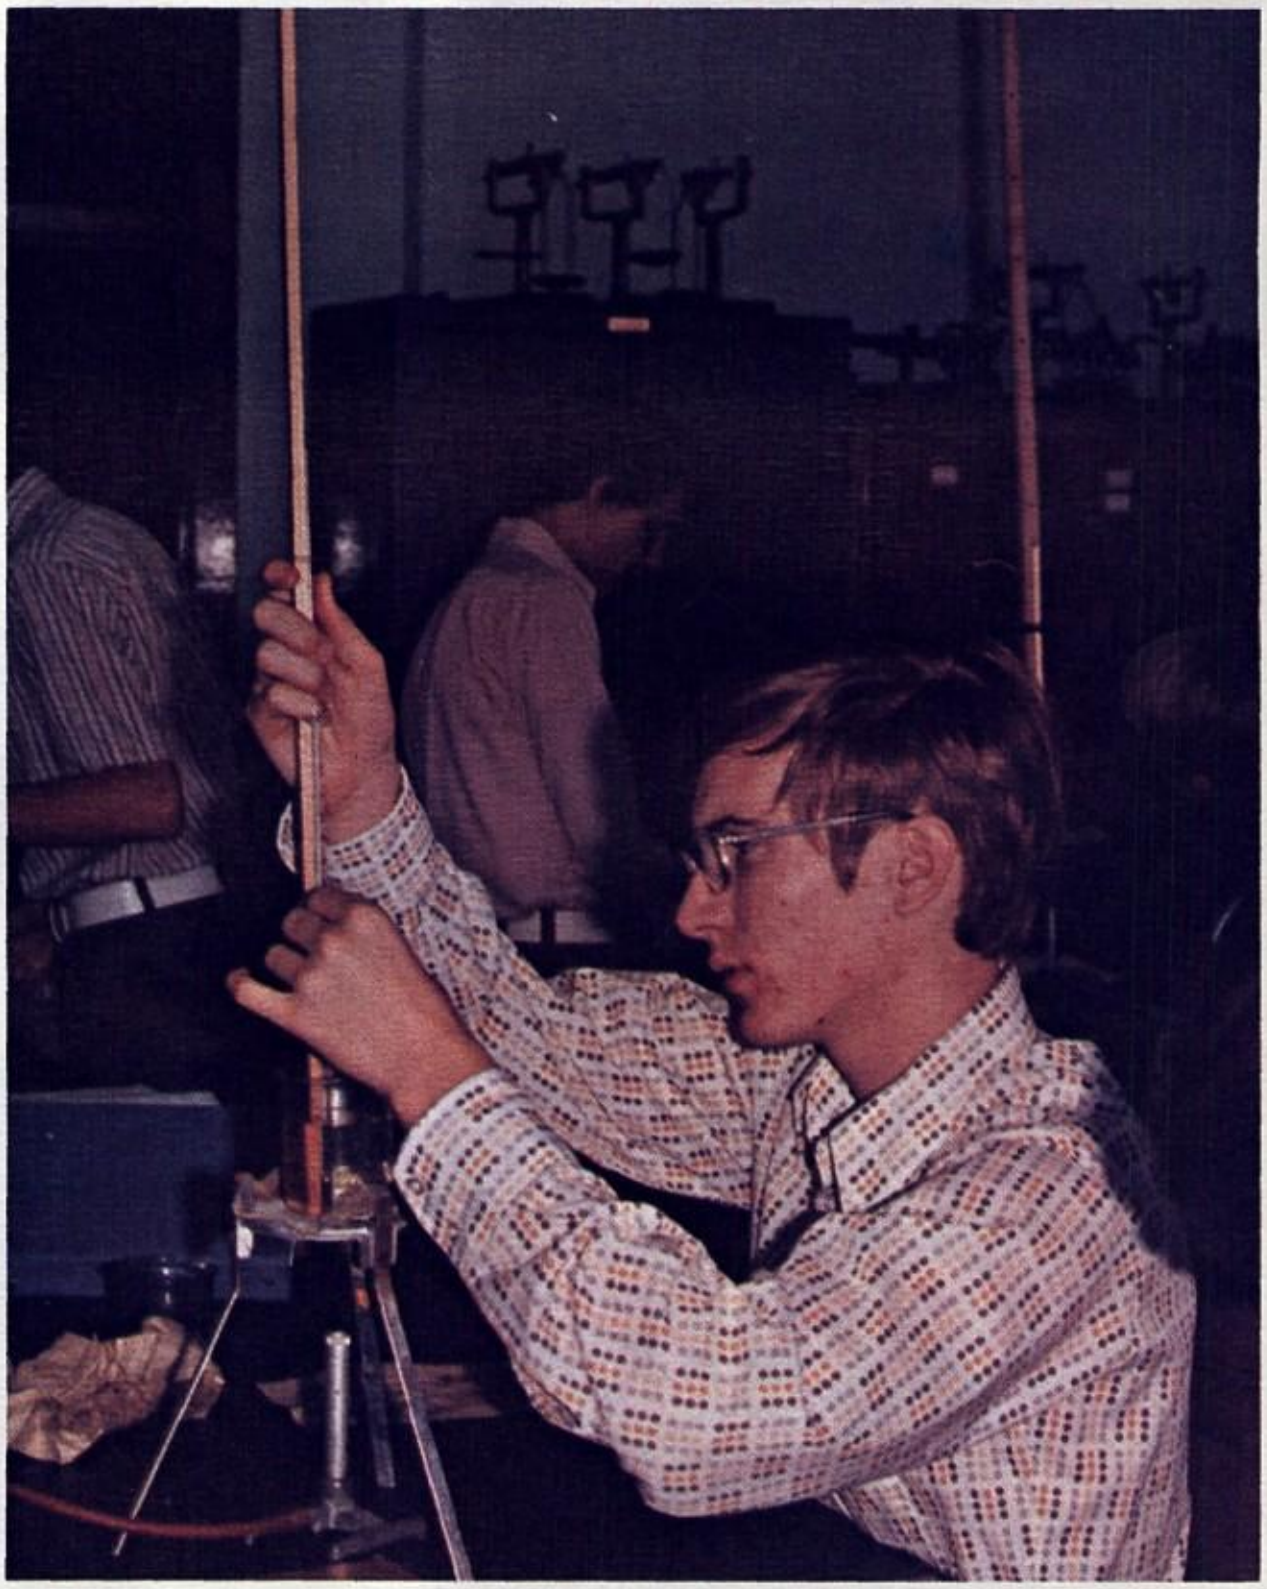
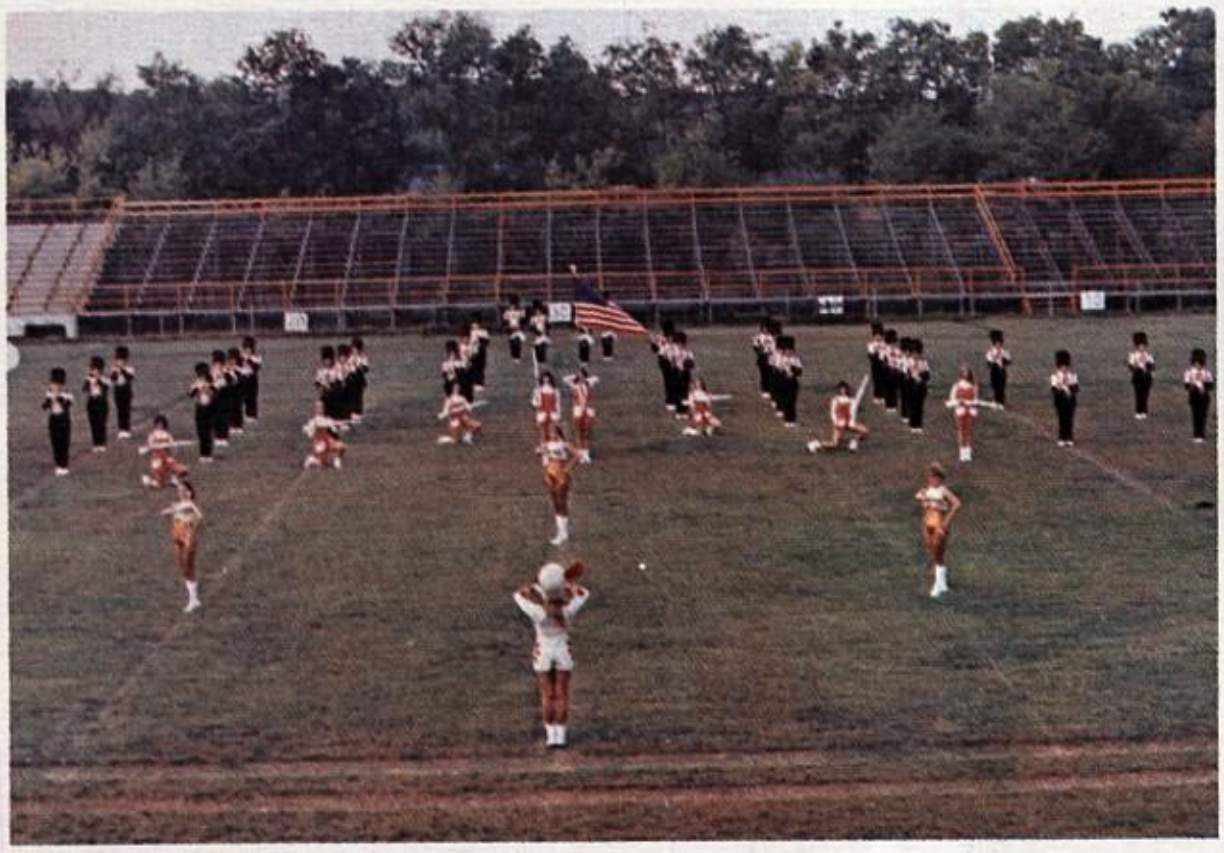
We woke long
before
the rising sun
. . .

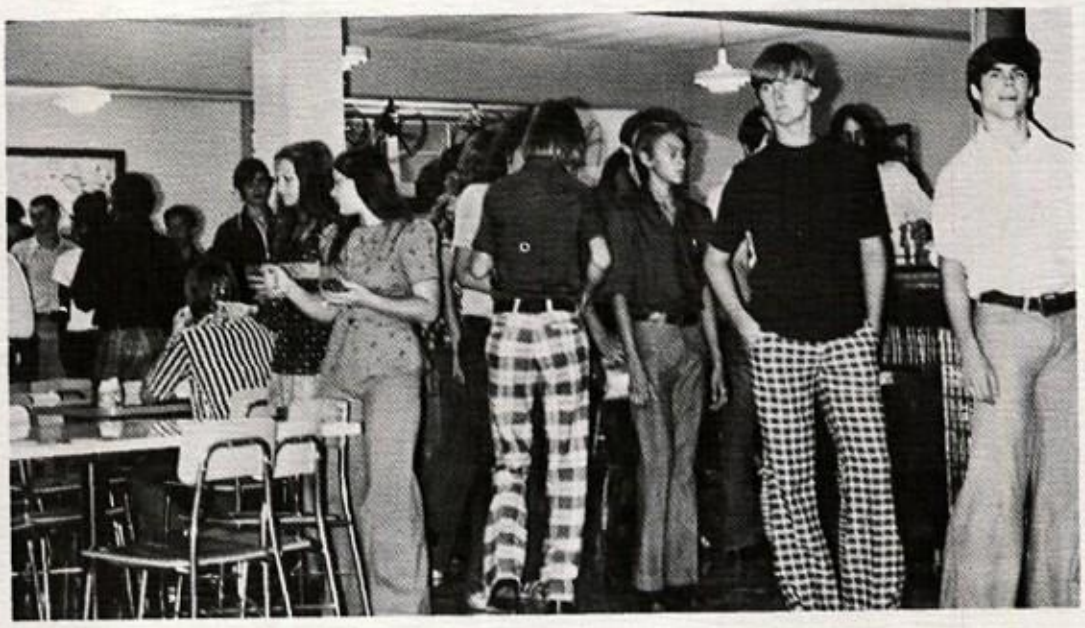


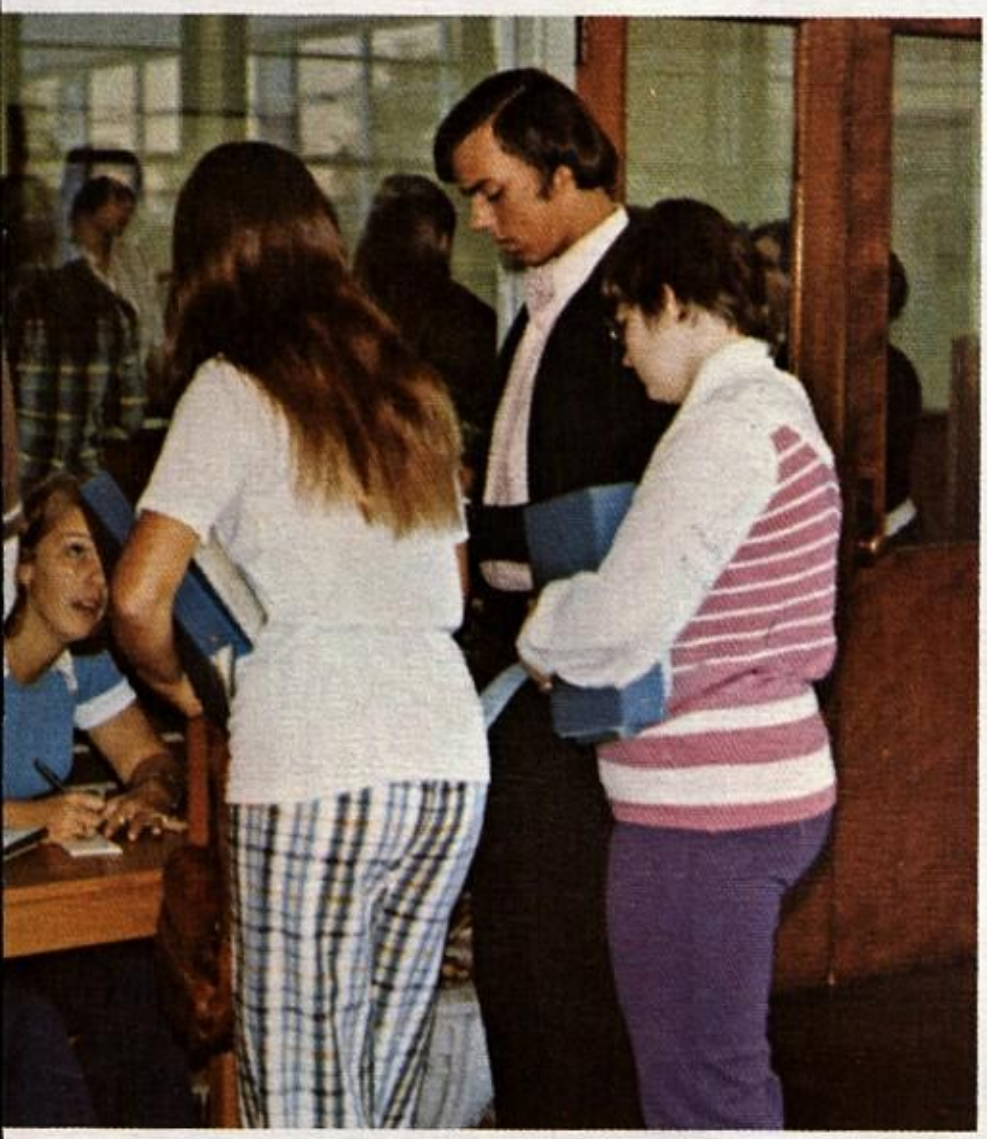
with hearts that
raced and minds
that dreamed . . .

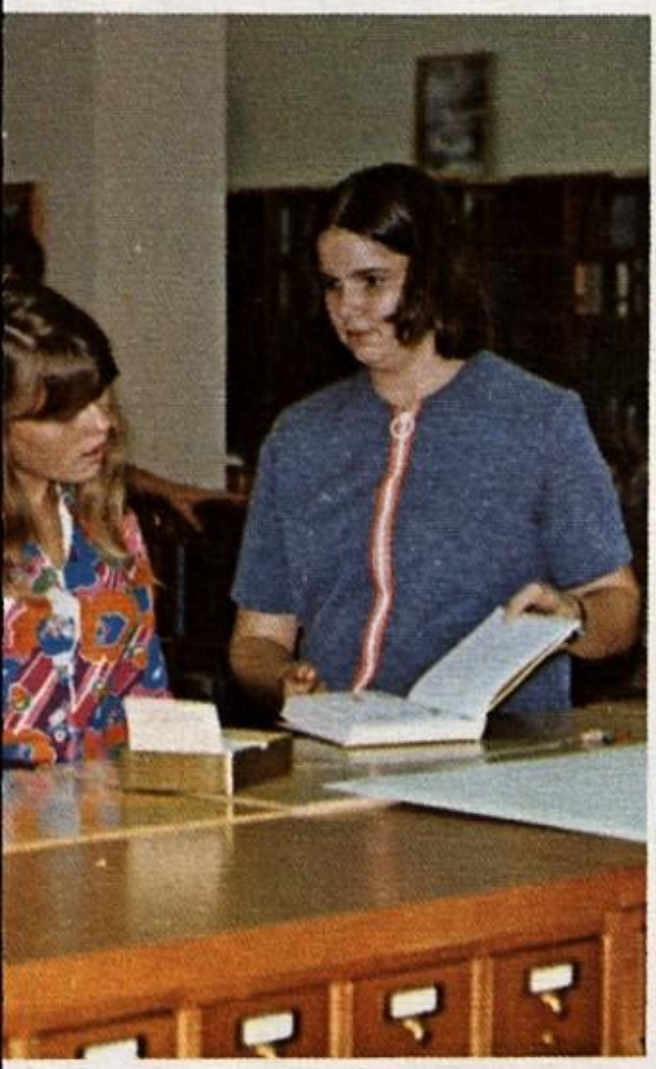


and clocks that have no hands.

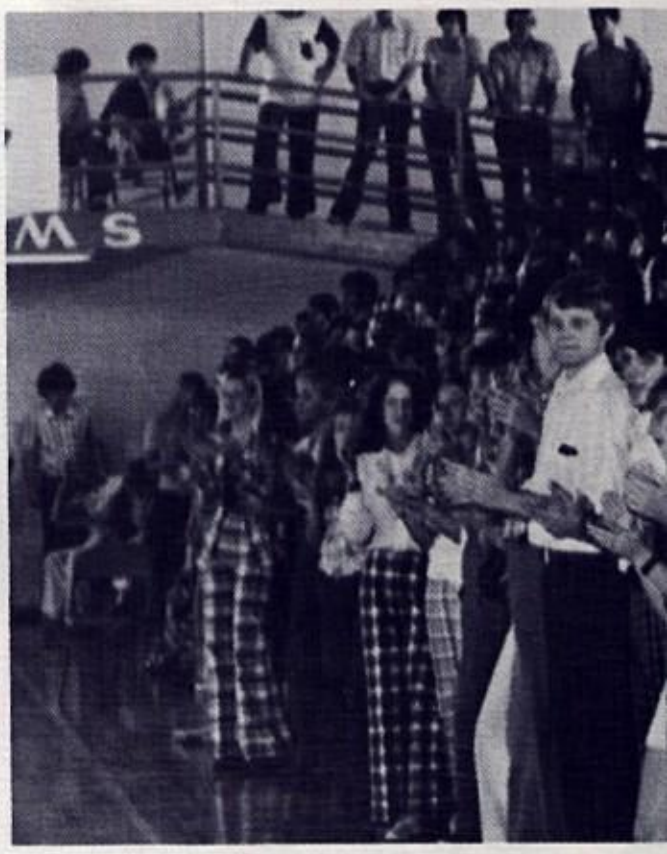
Those were the days when we were young.



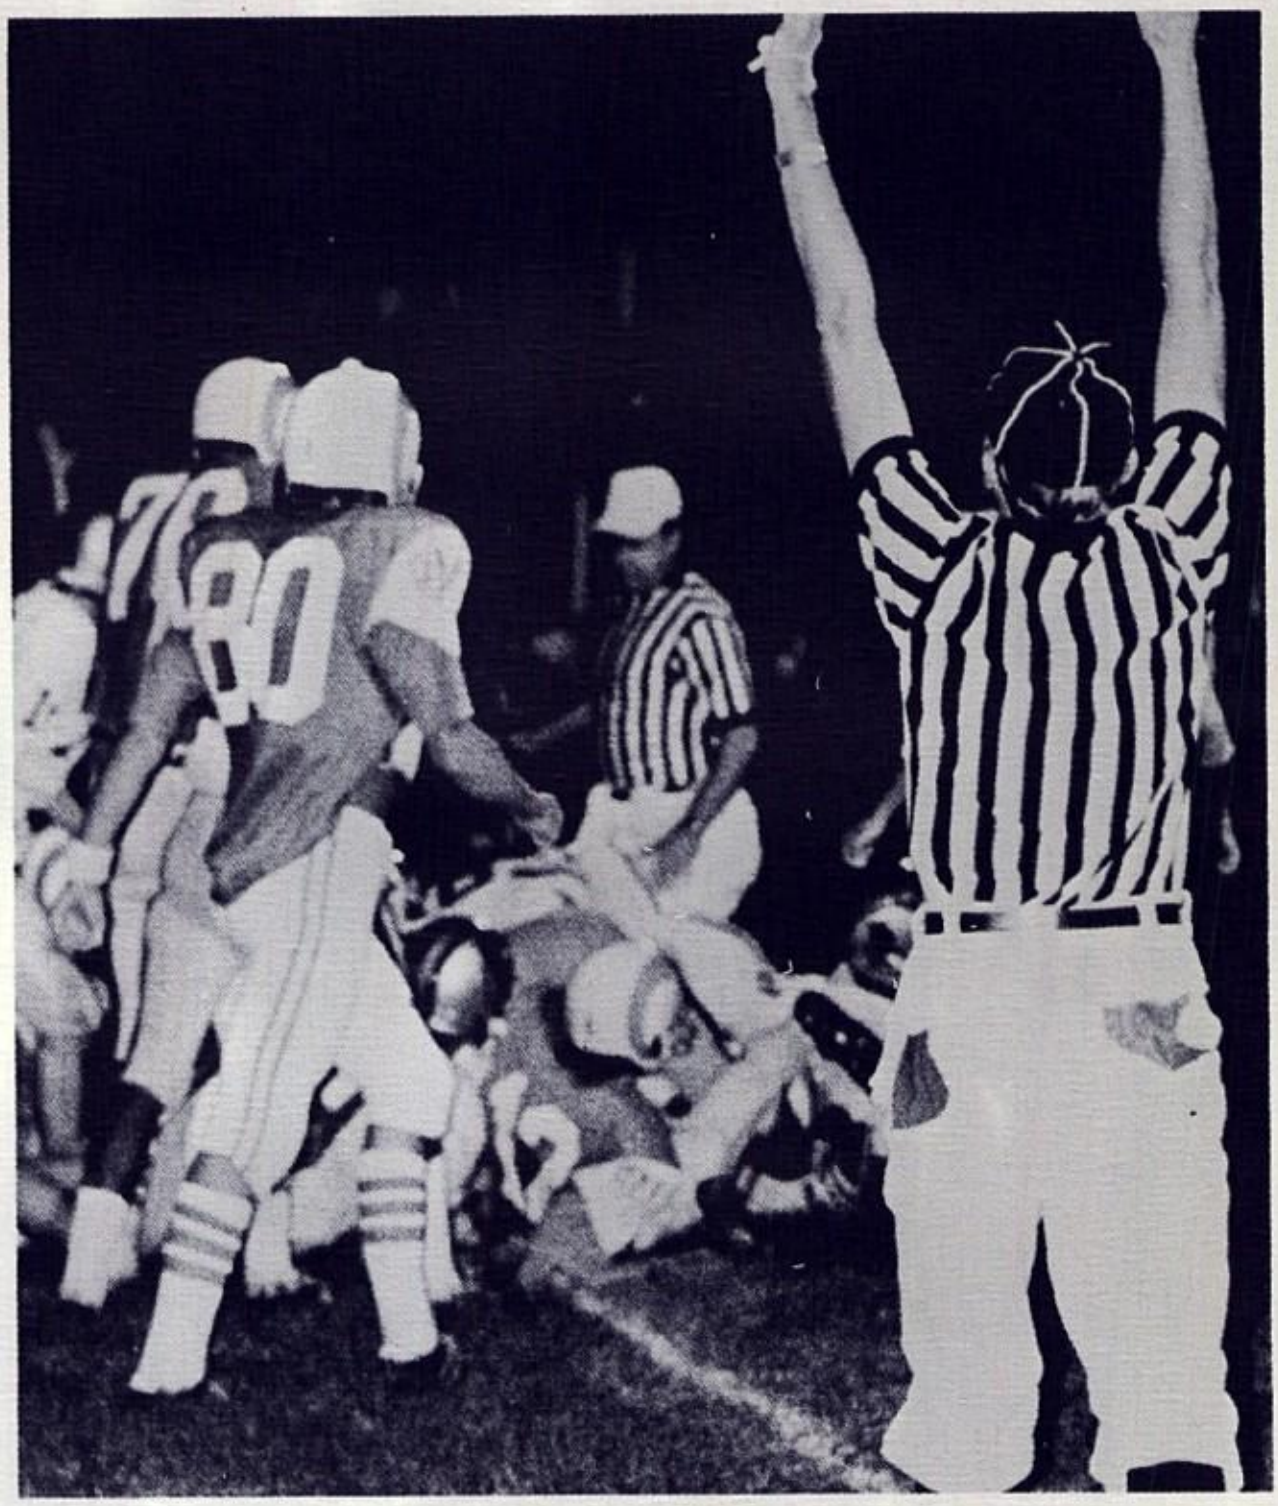


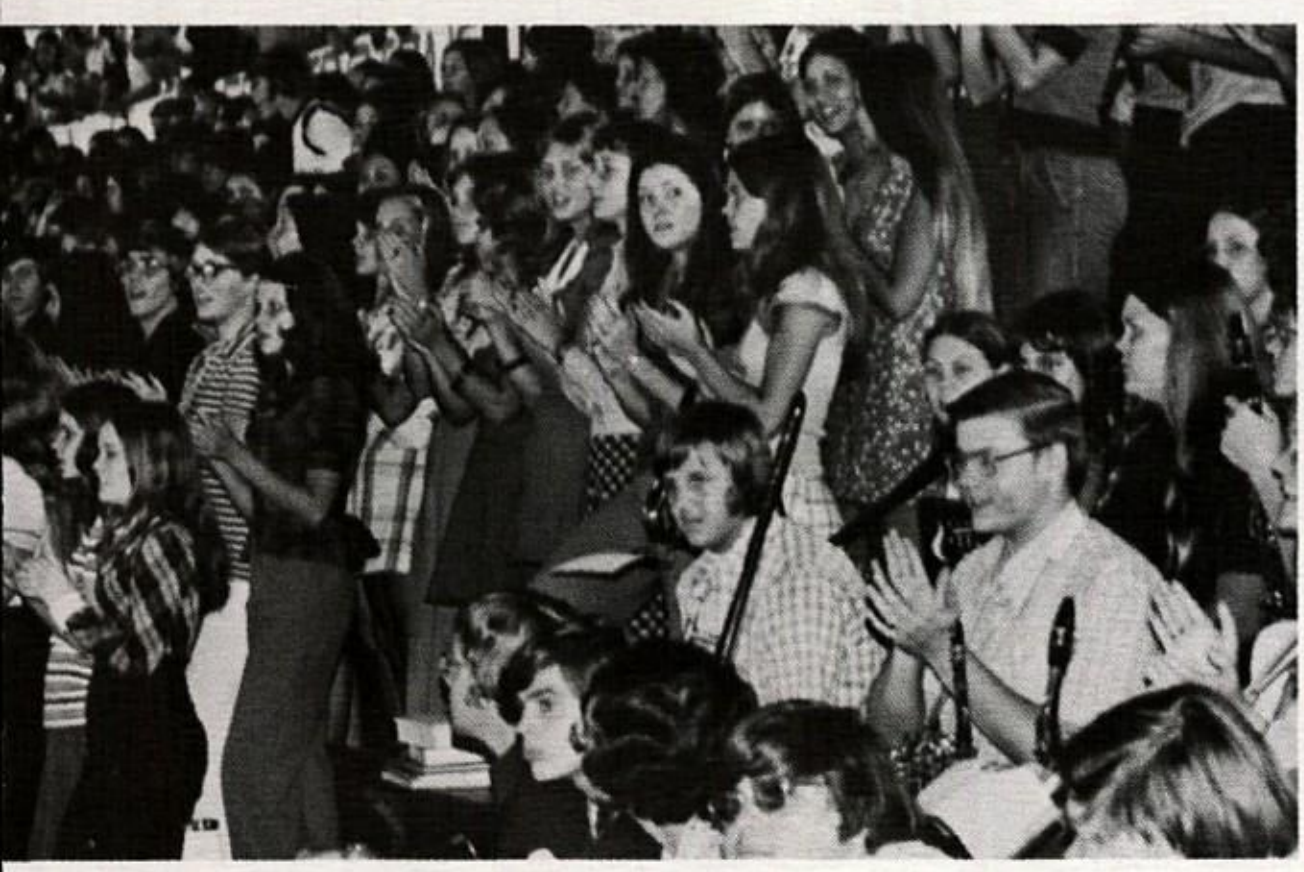


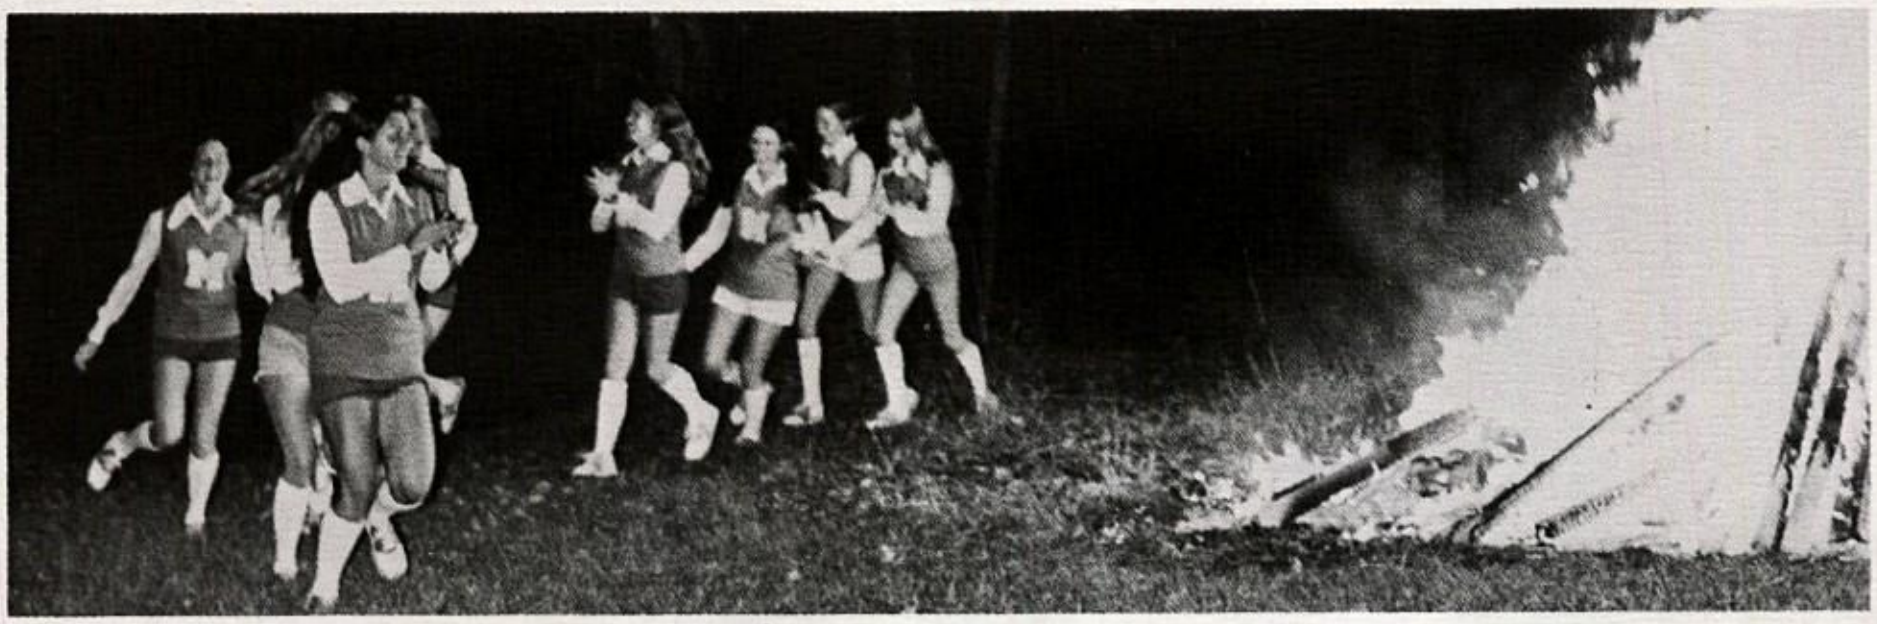
Those days were real,
we made them real,
with our smiles, our jokes,
and our love . . .



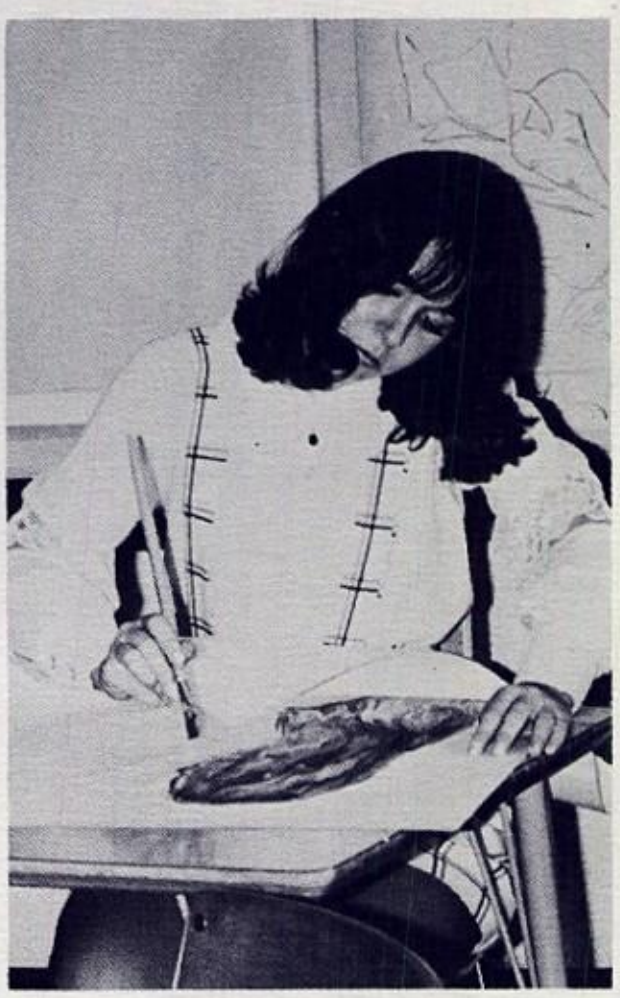
Because
we existed . . .





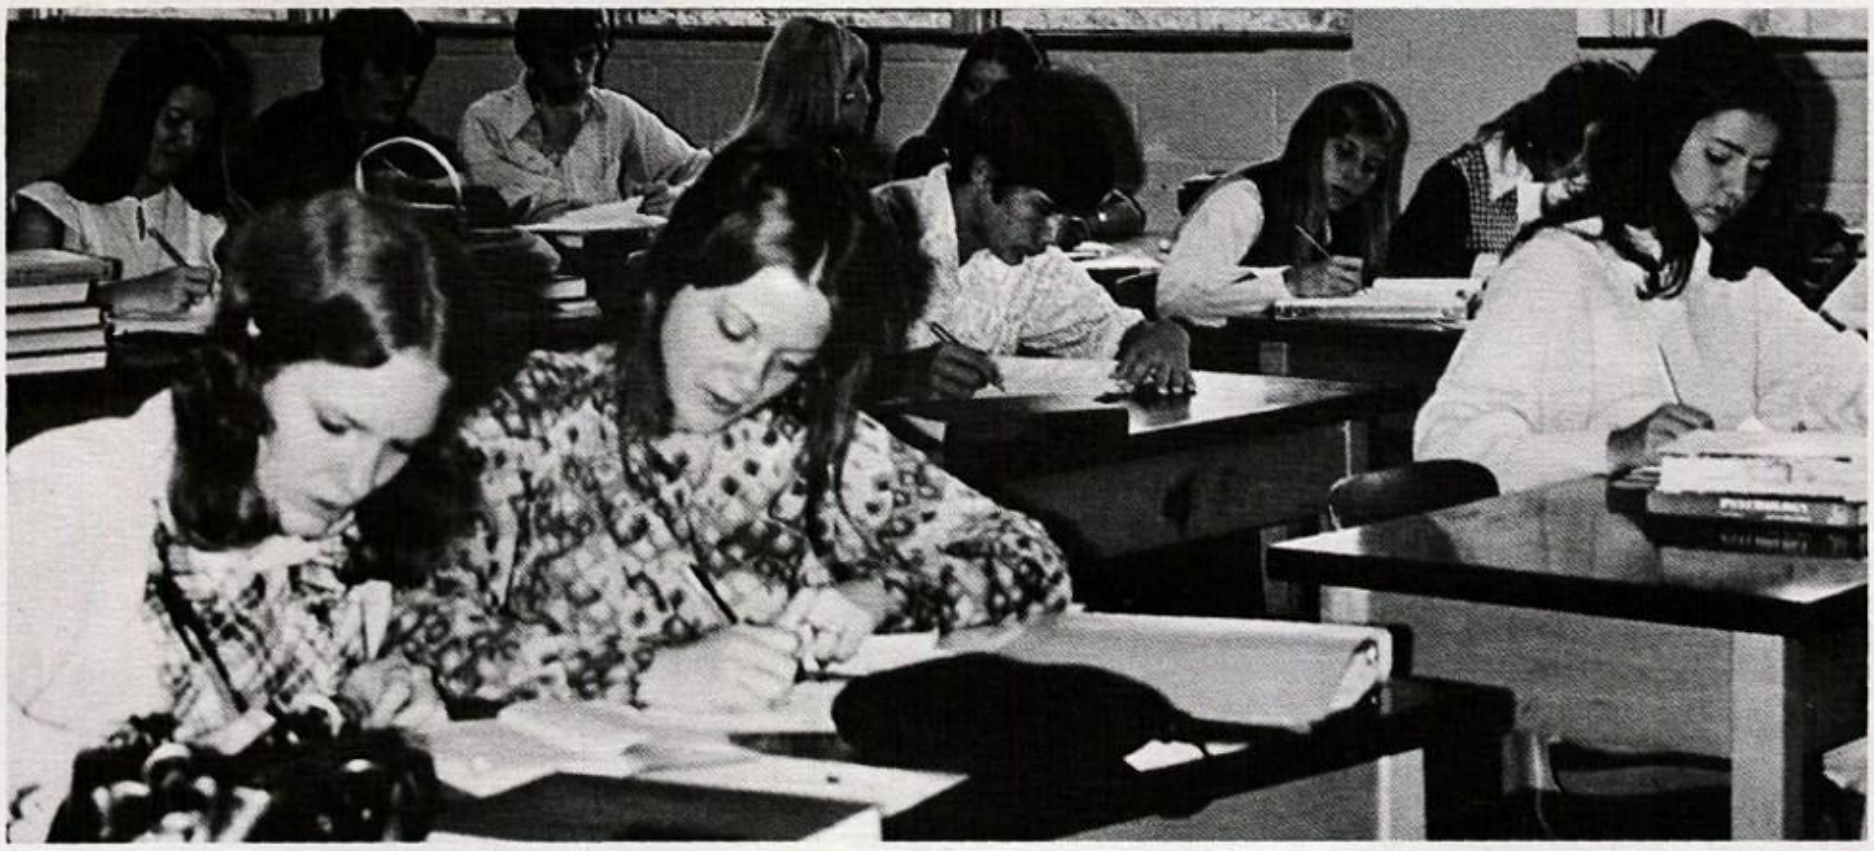


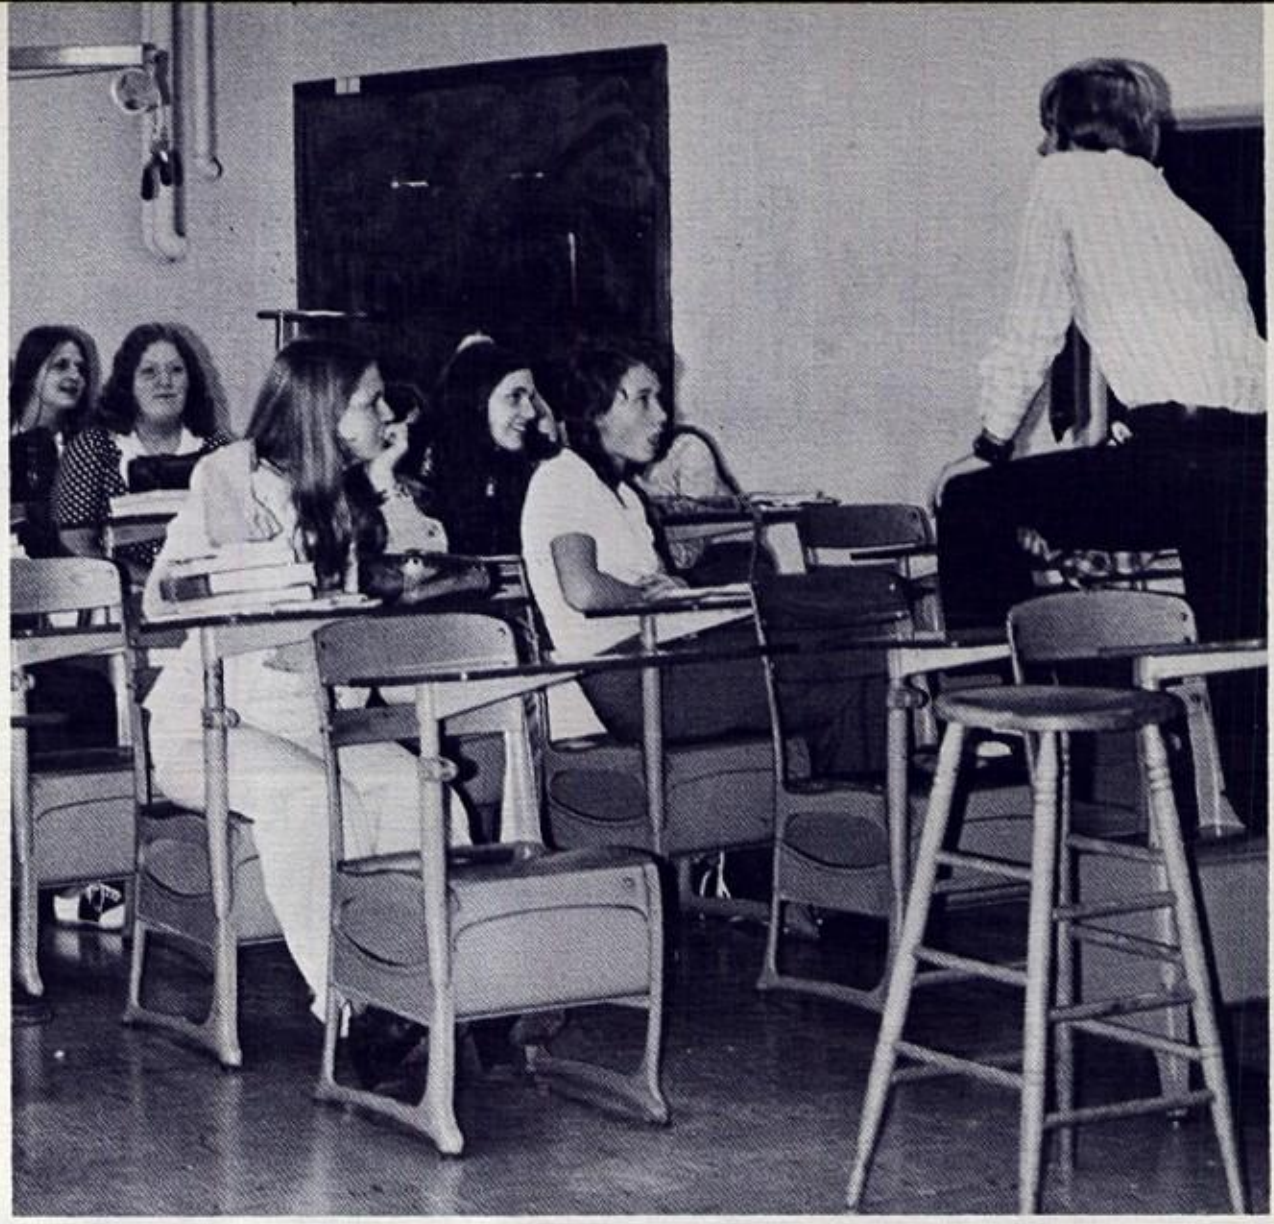
with common lives
and common longings,
we yelled, we screamed,
we tried, we won!

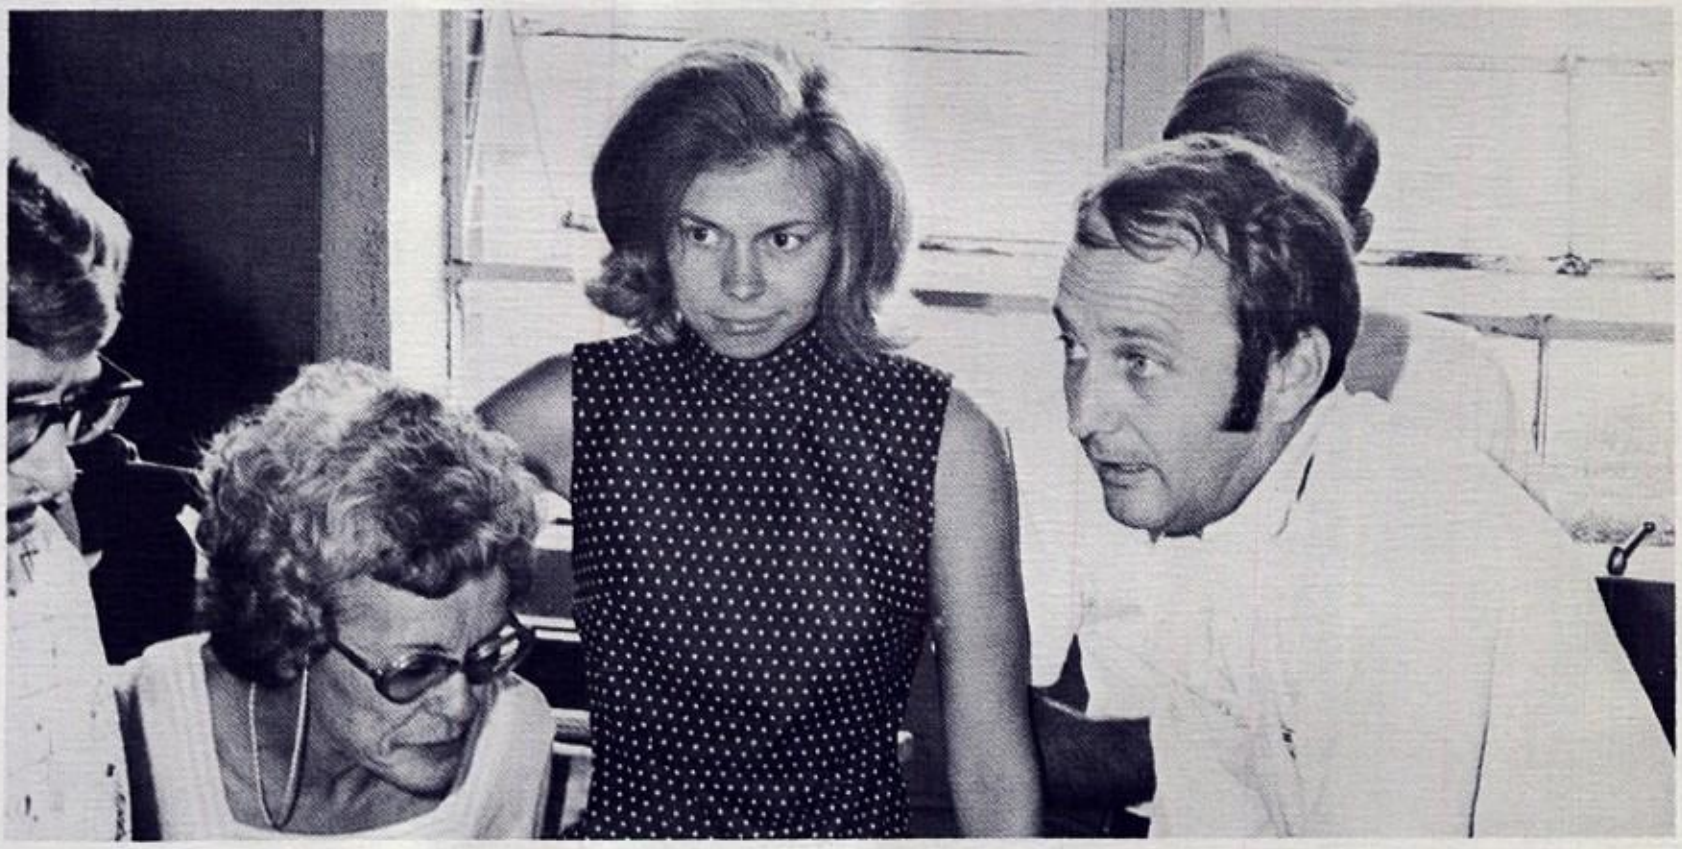


We studied long . . .

slept little,
traveled far,
wanted little.

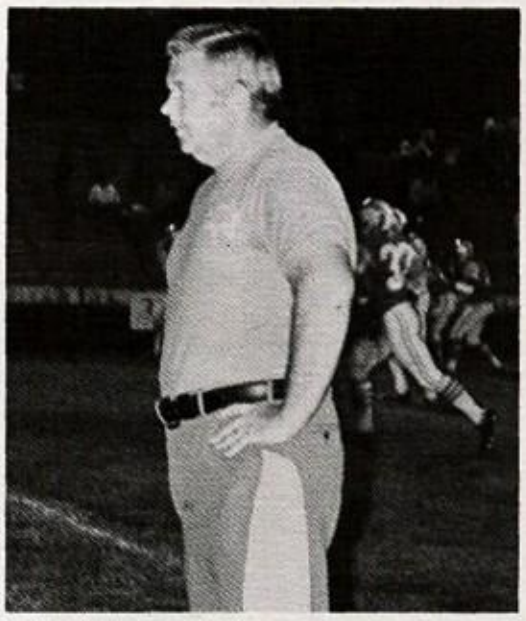




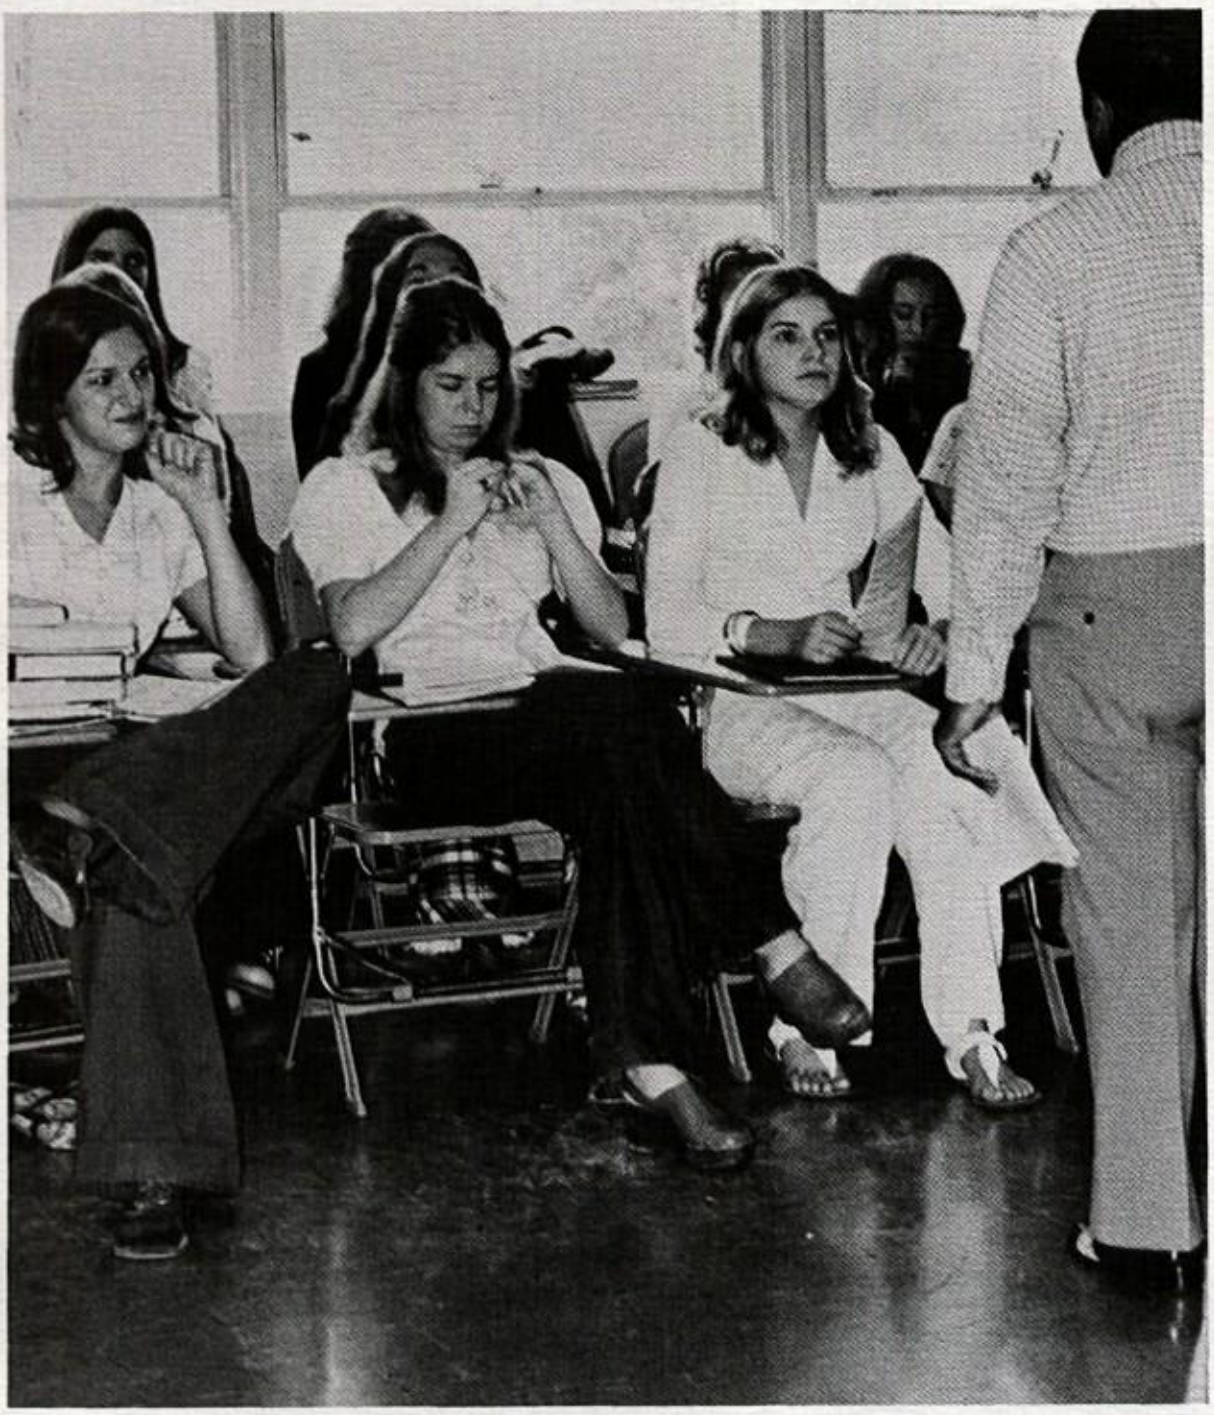


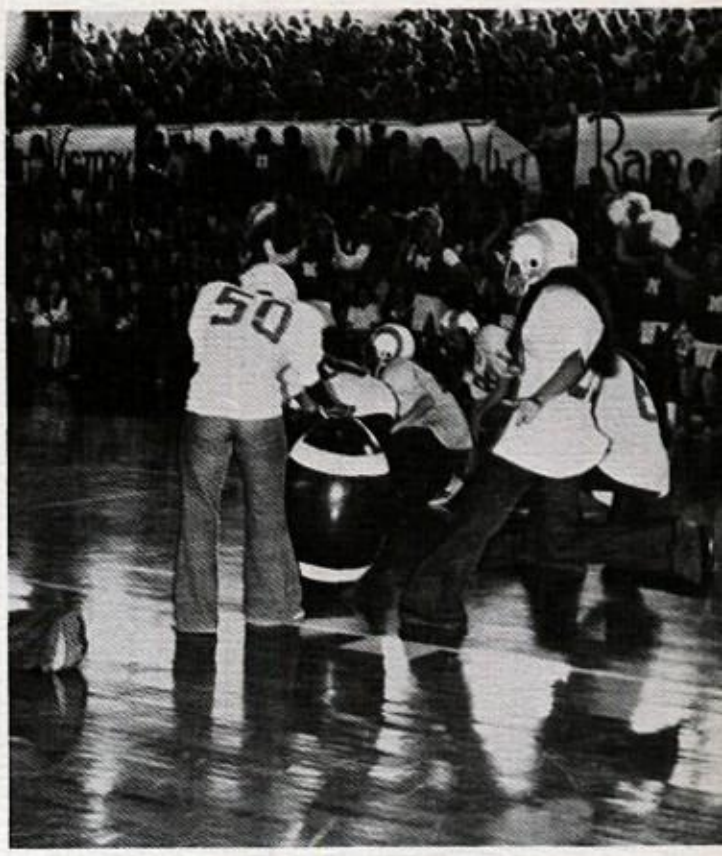
Then while caught in the twilight of
work and sleep . . .

we thought of the mounting work,
to be done.

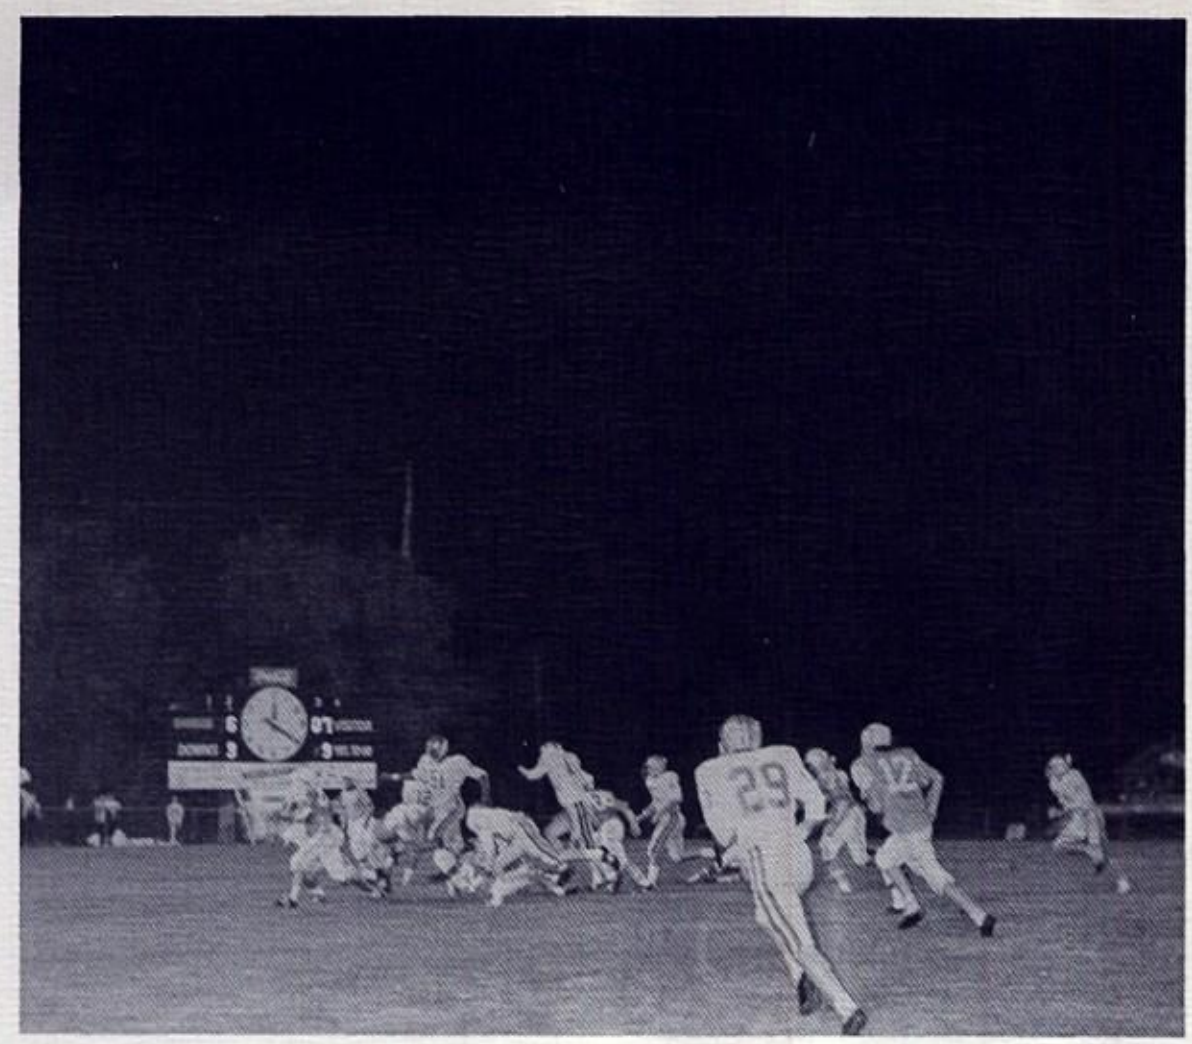


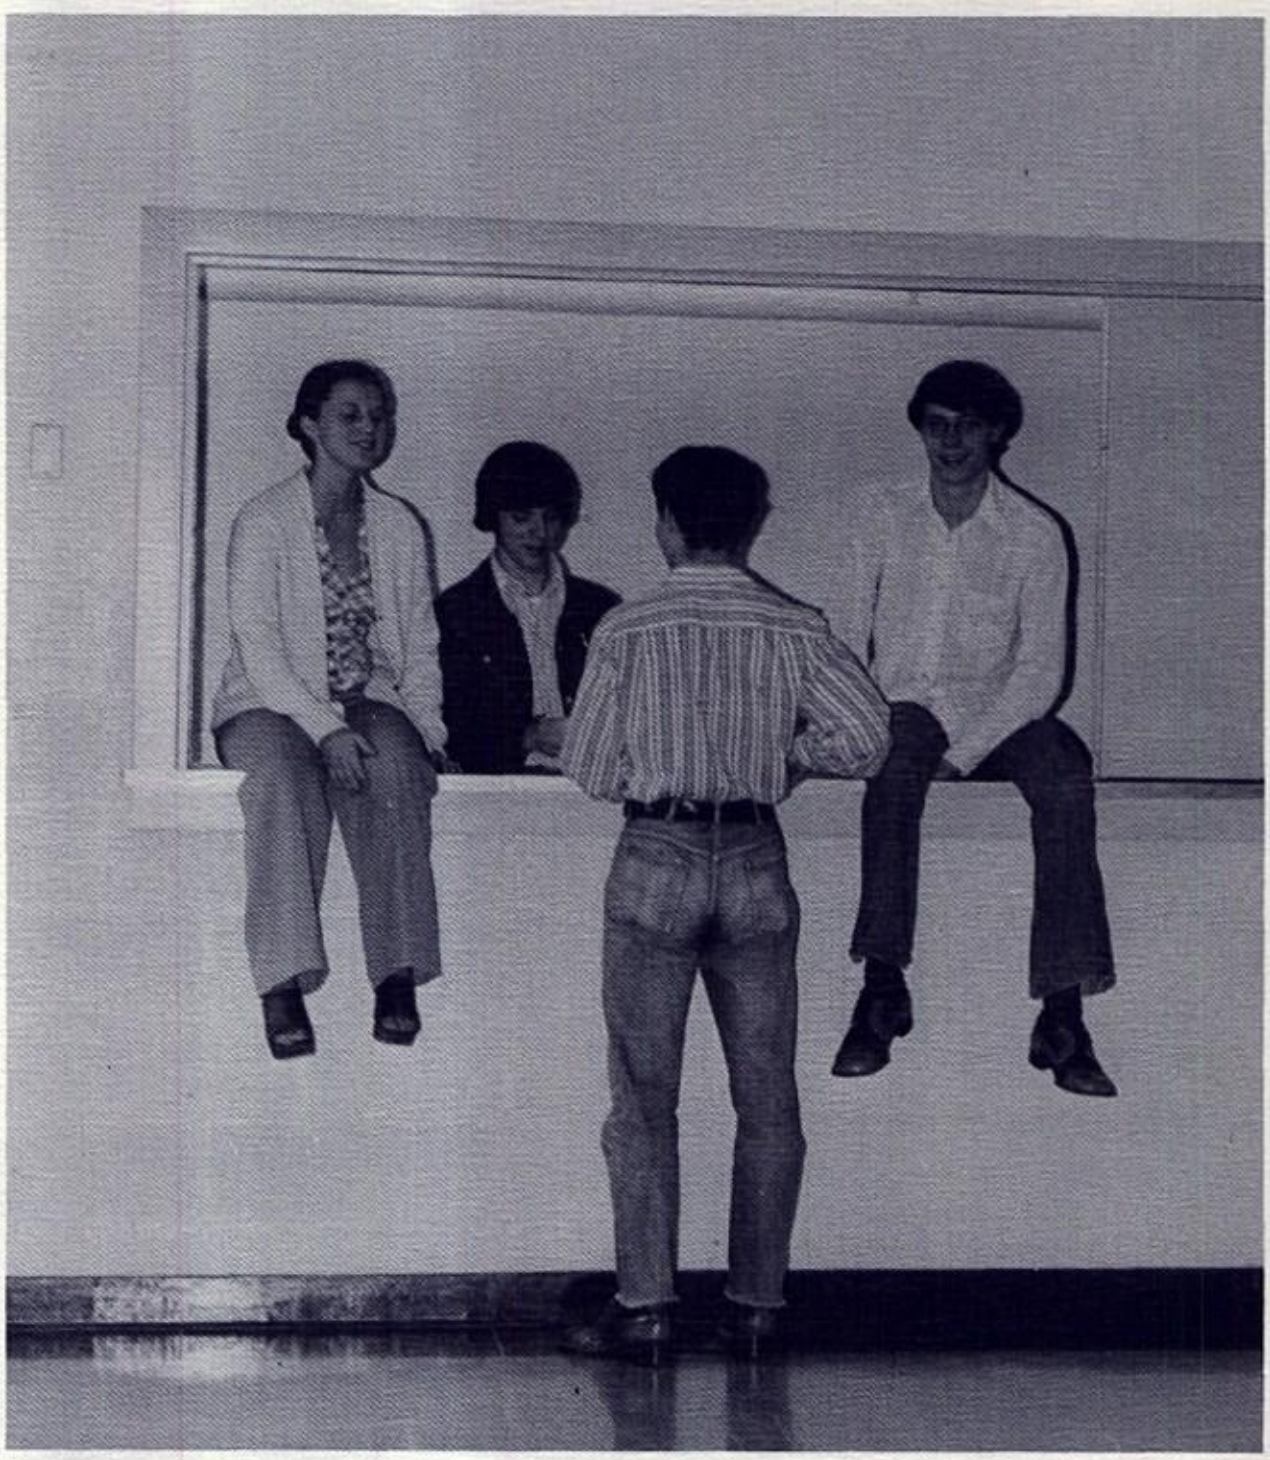
For us to see a world in a grain of sand,
and a heaven in a wild flower . . .

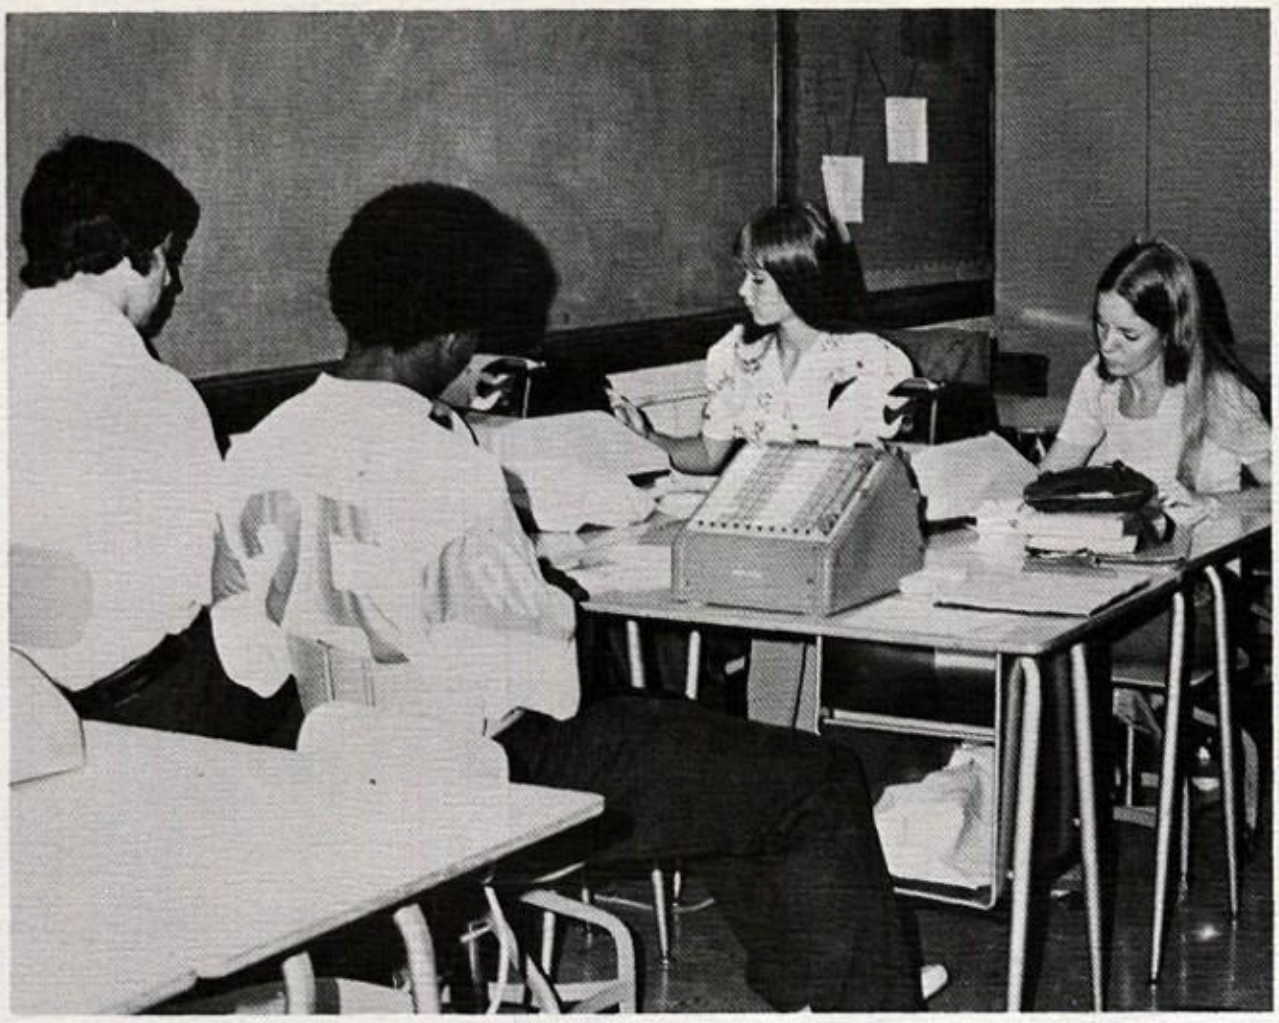


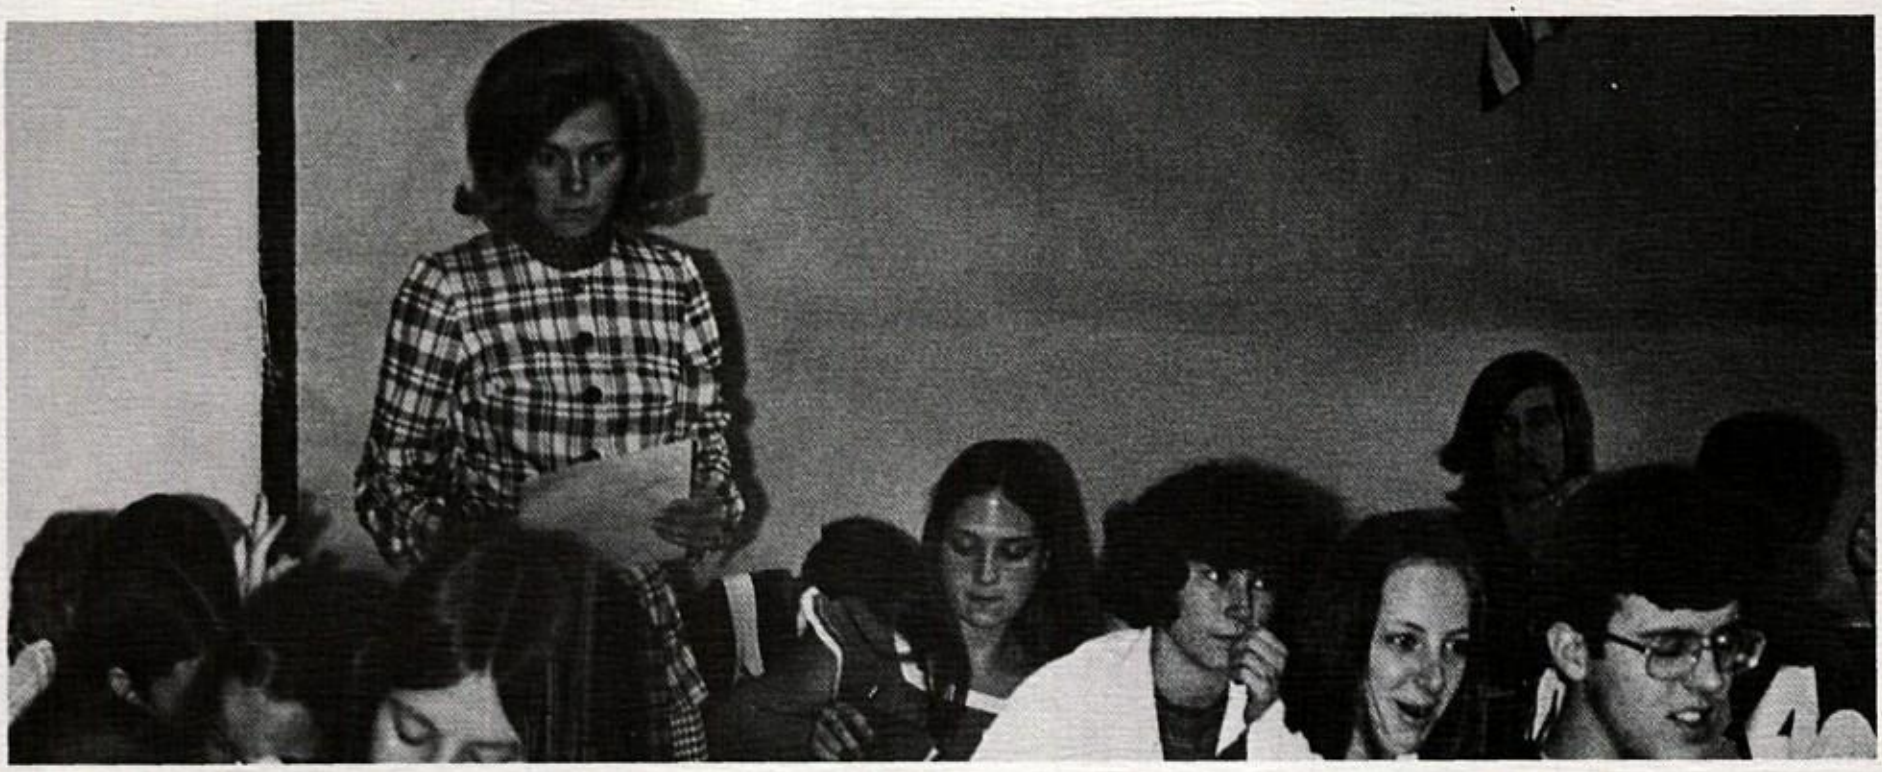


50



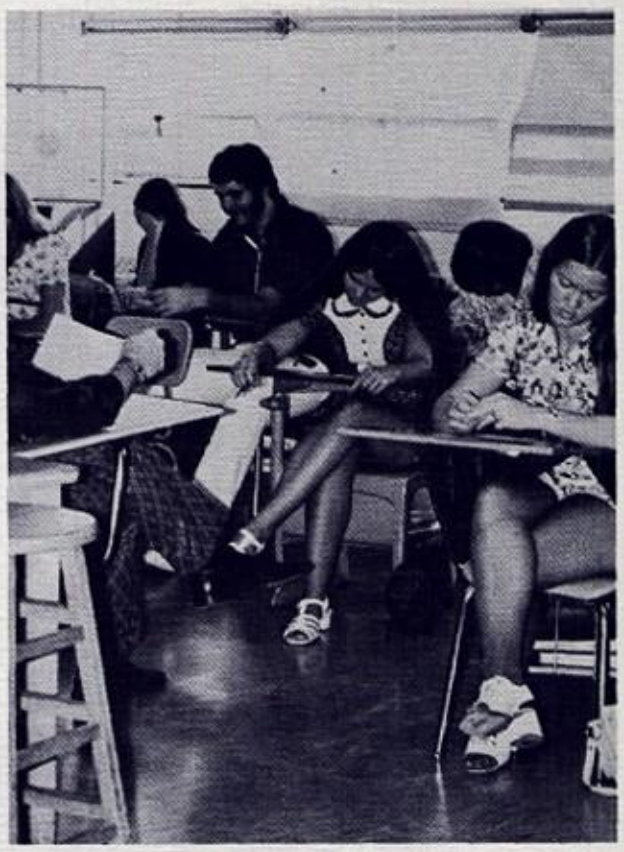


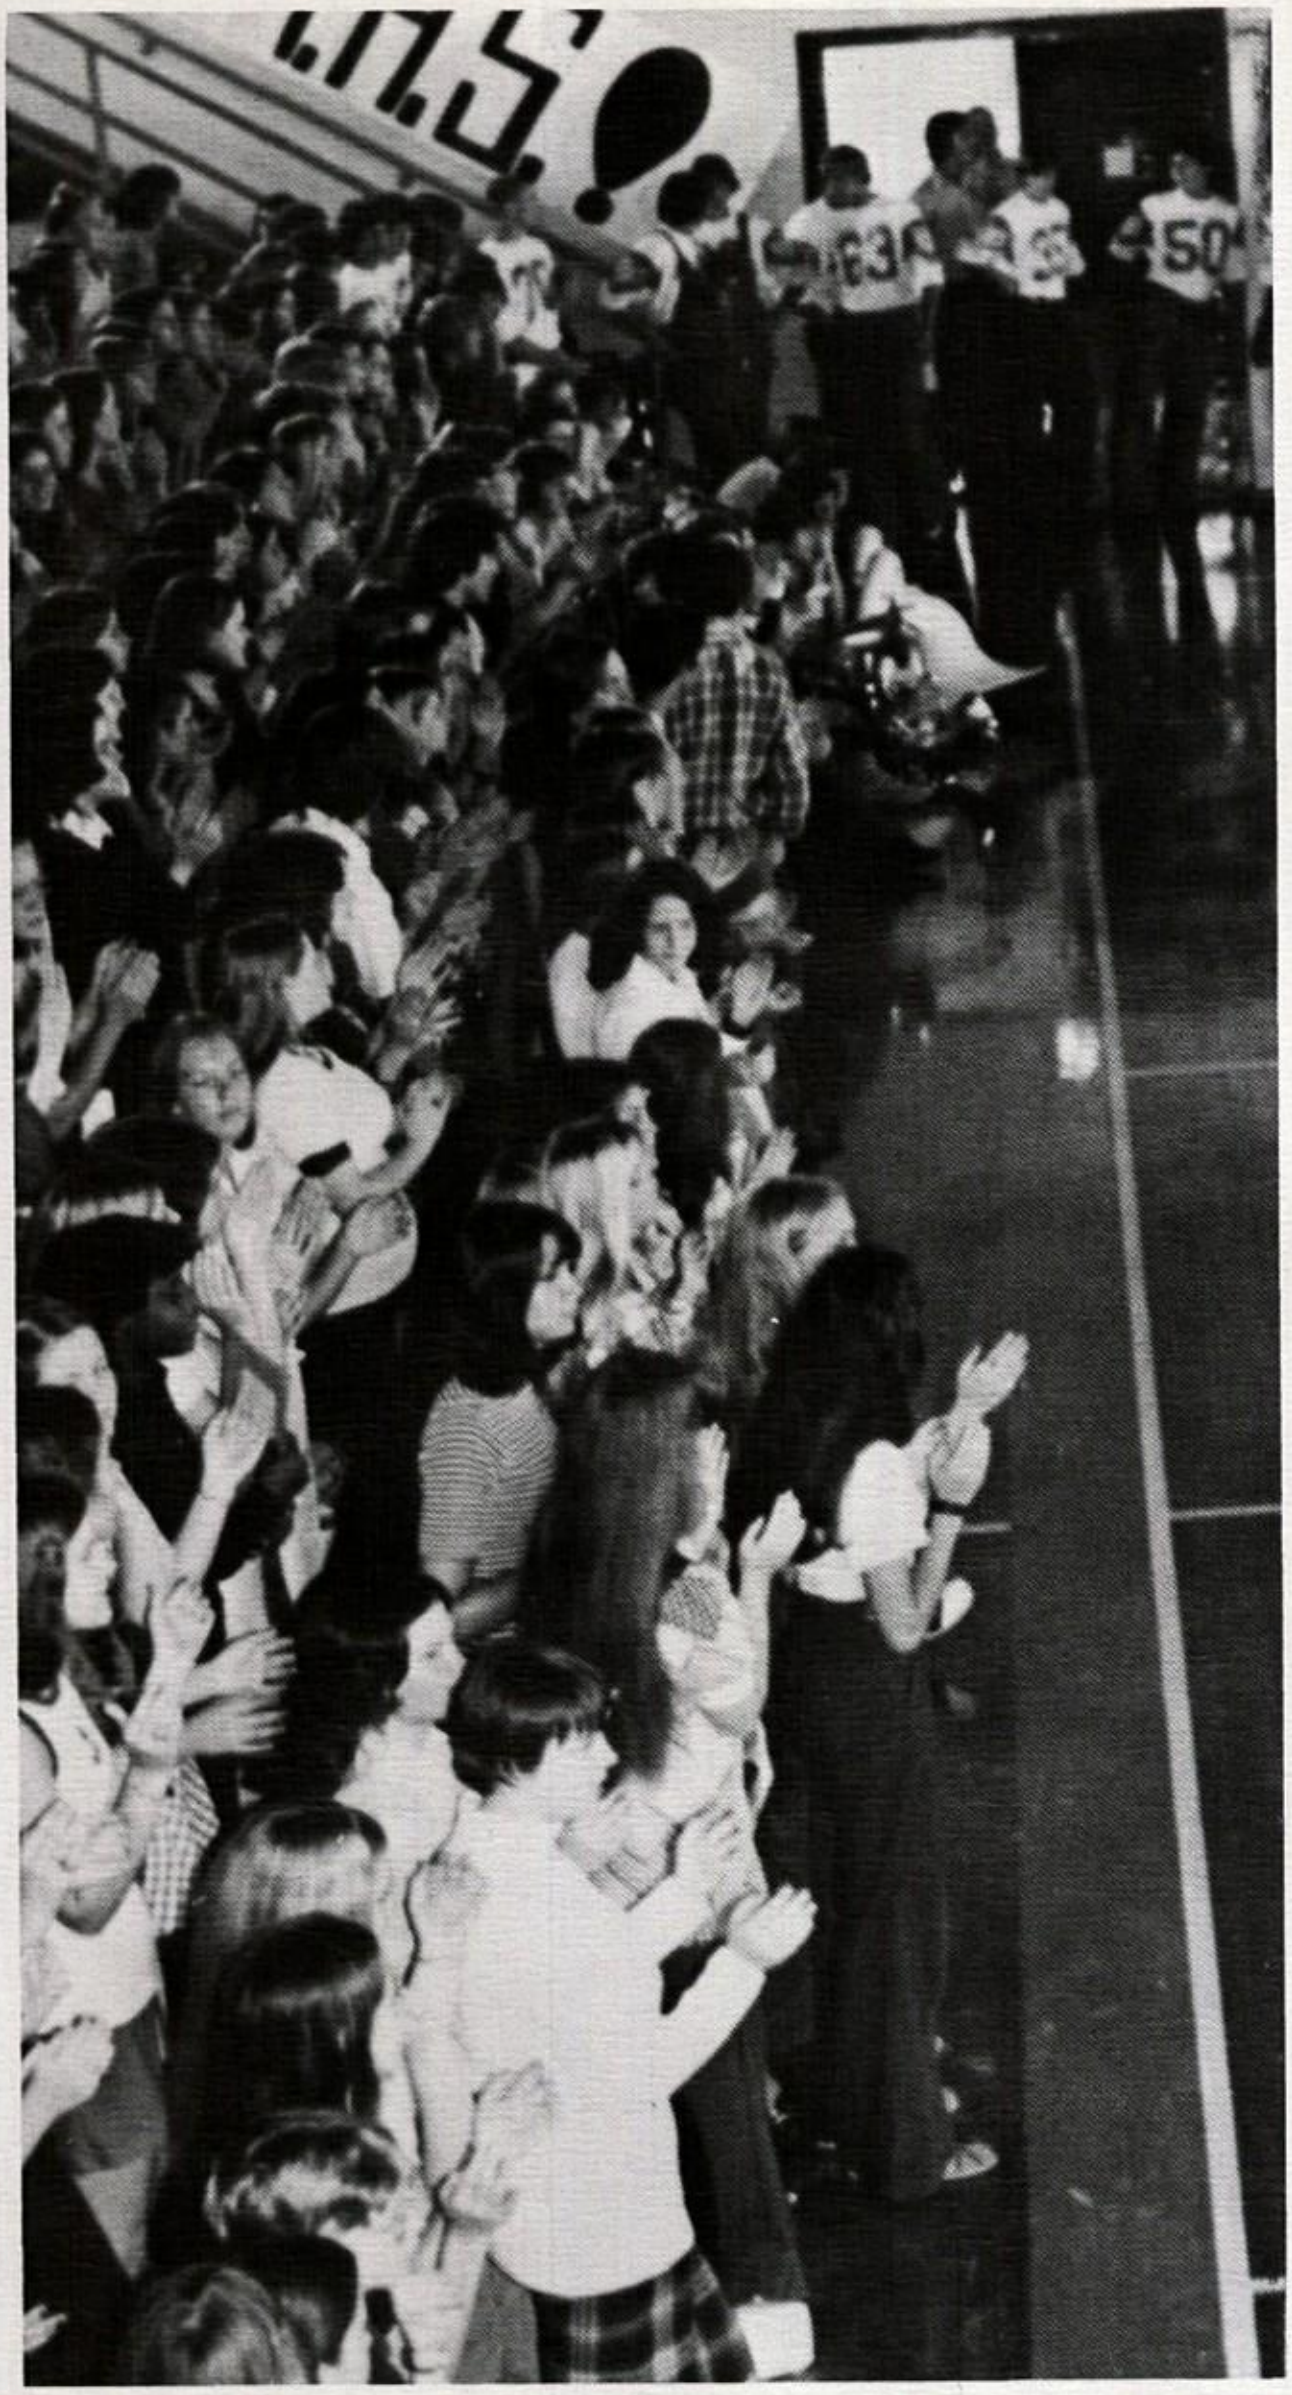




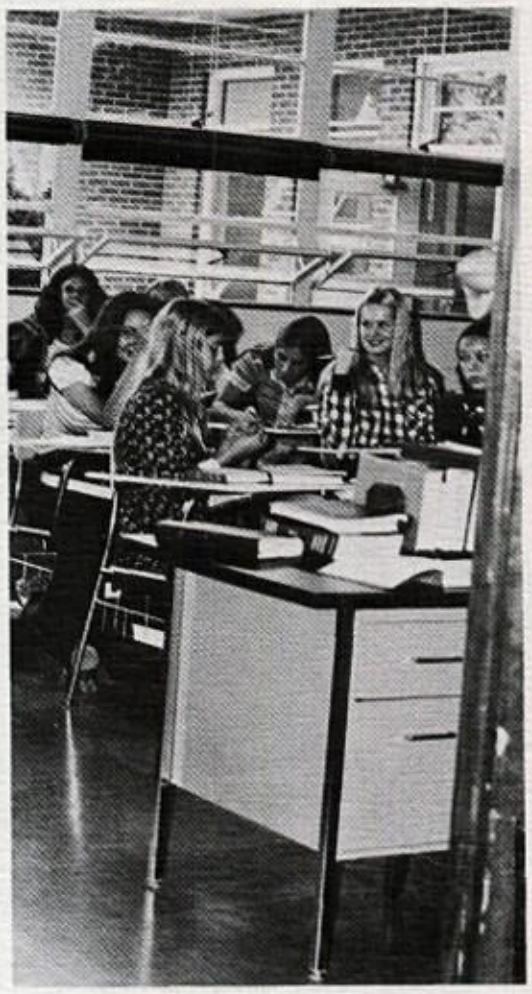
and what seemed like
eternity is an hour,

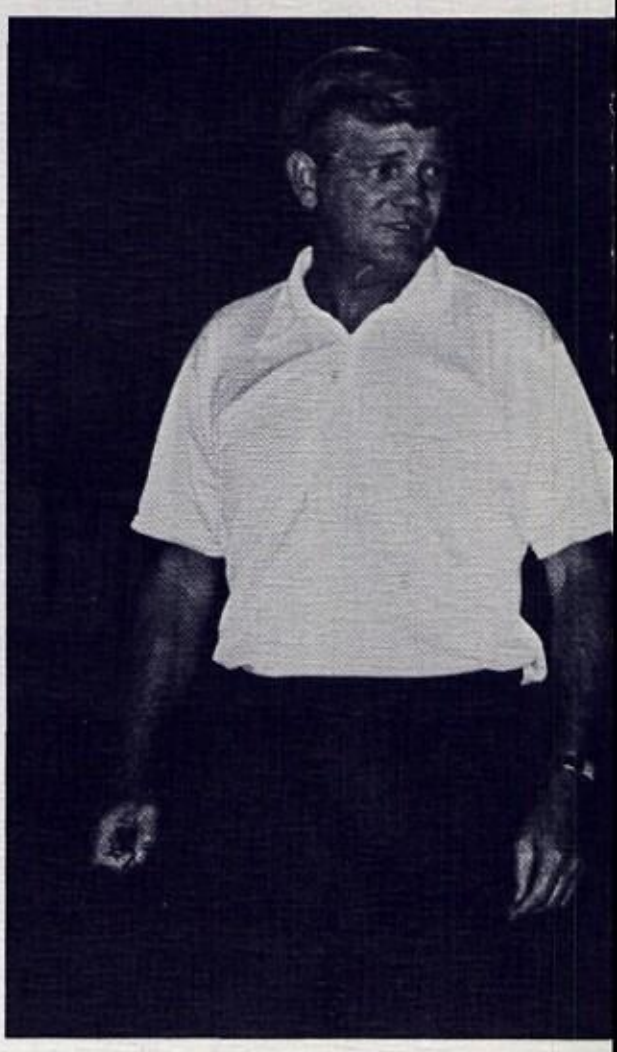
As innocent as time,
we paused before each
door in anticipation . . .





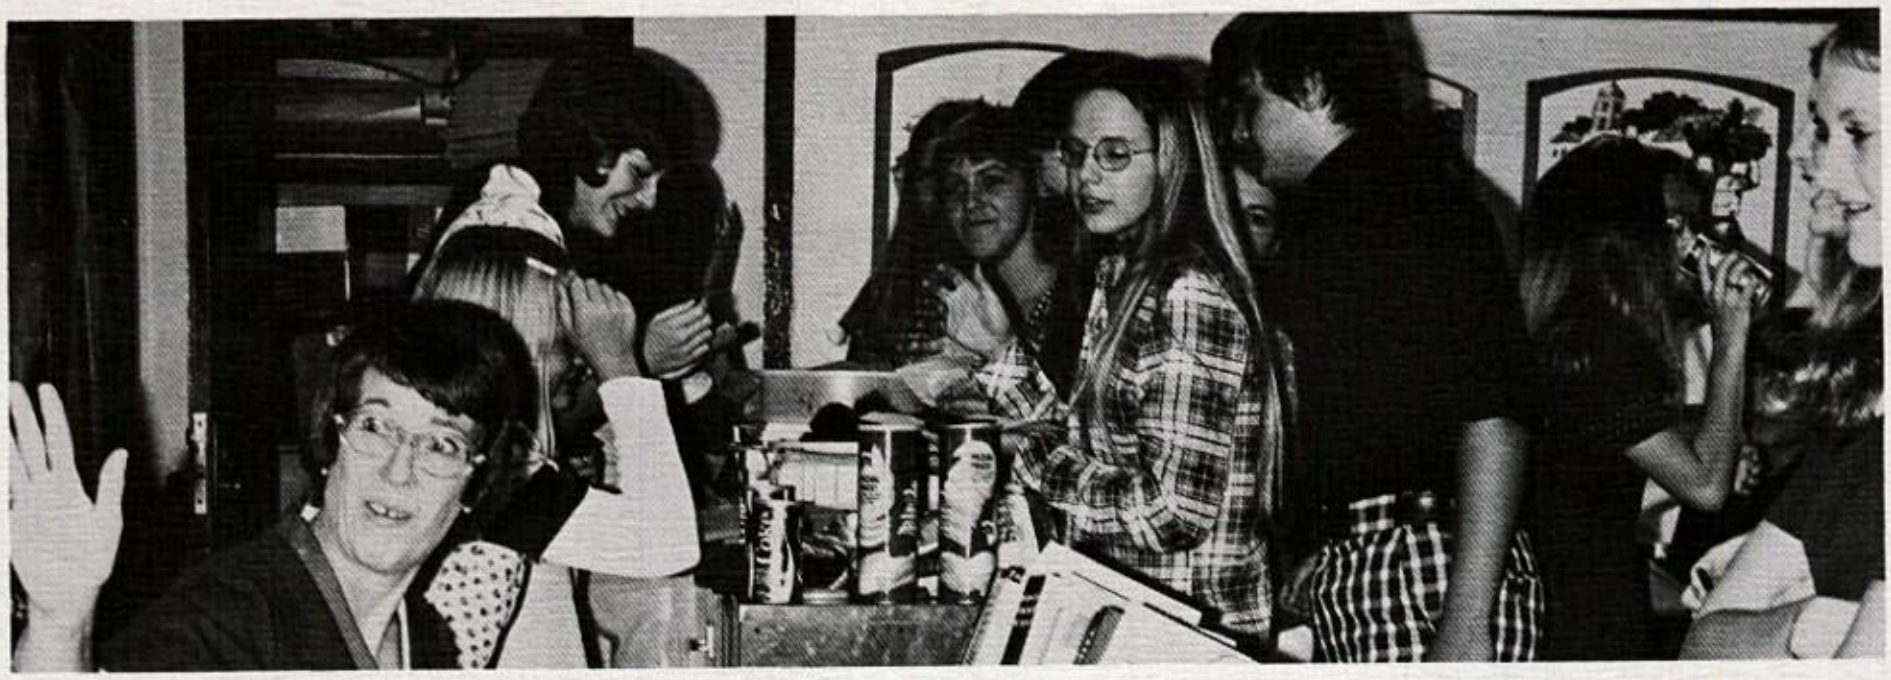
and found
that every
mirrored image,
revealed
another
cherished
moment.

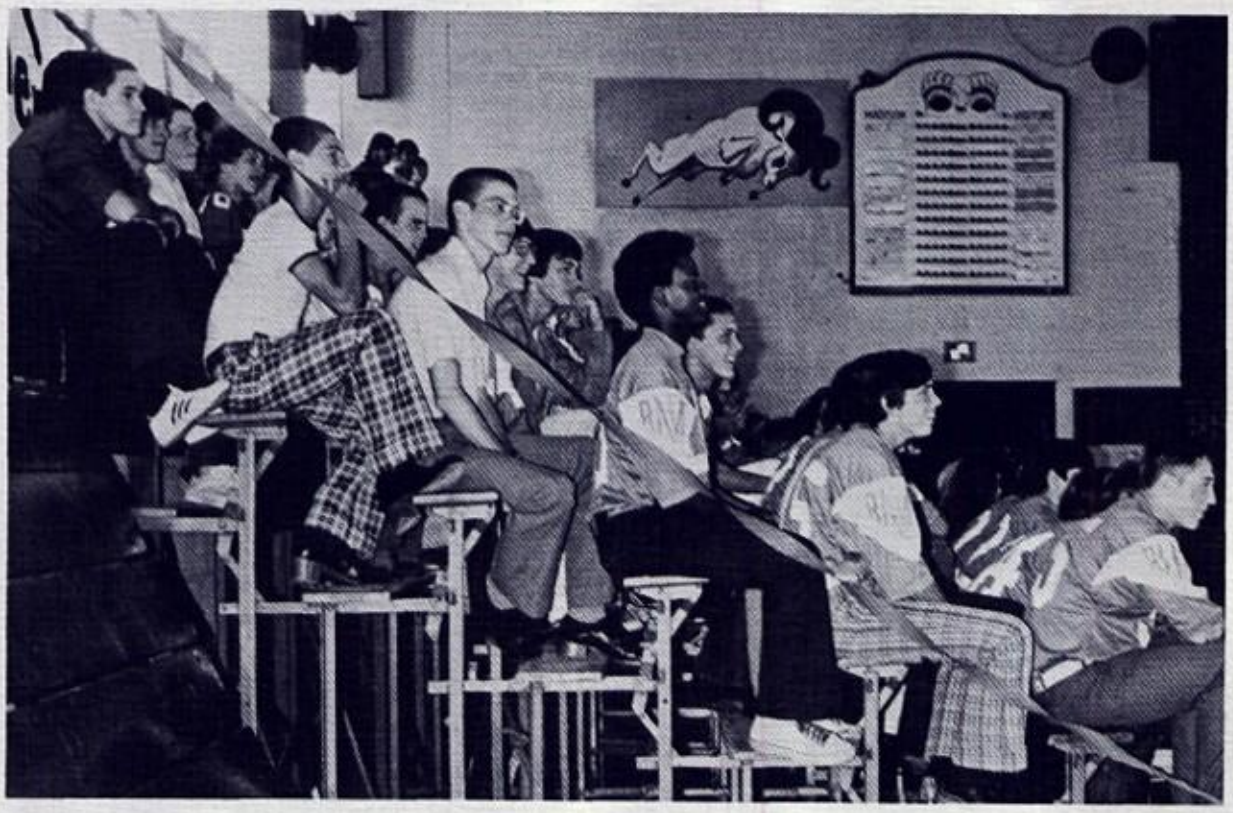


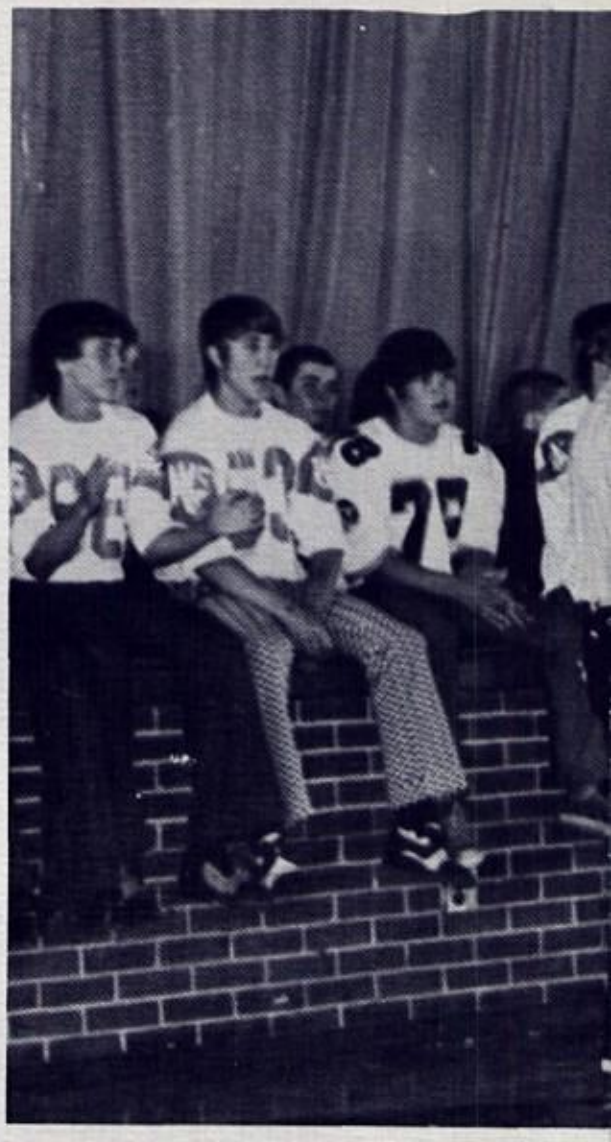


When our two souls stand erect . . .

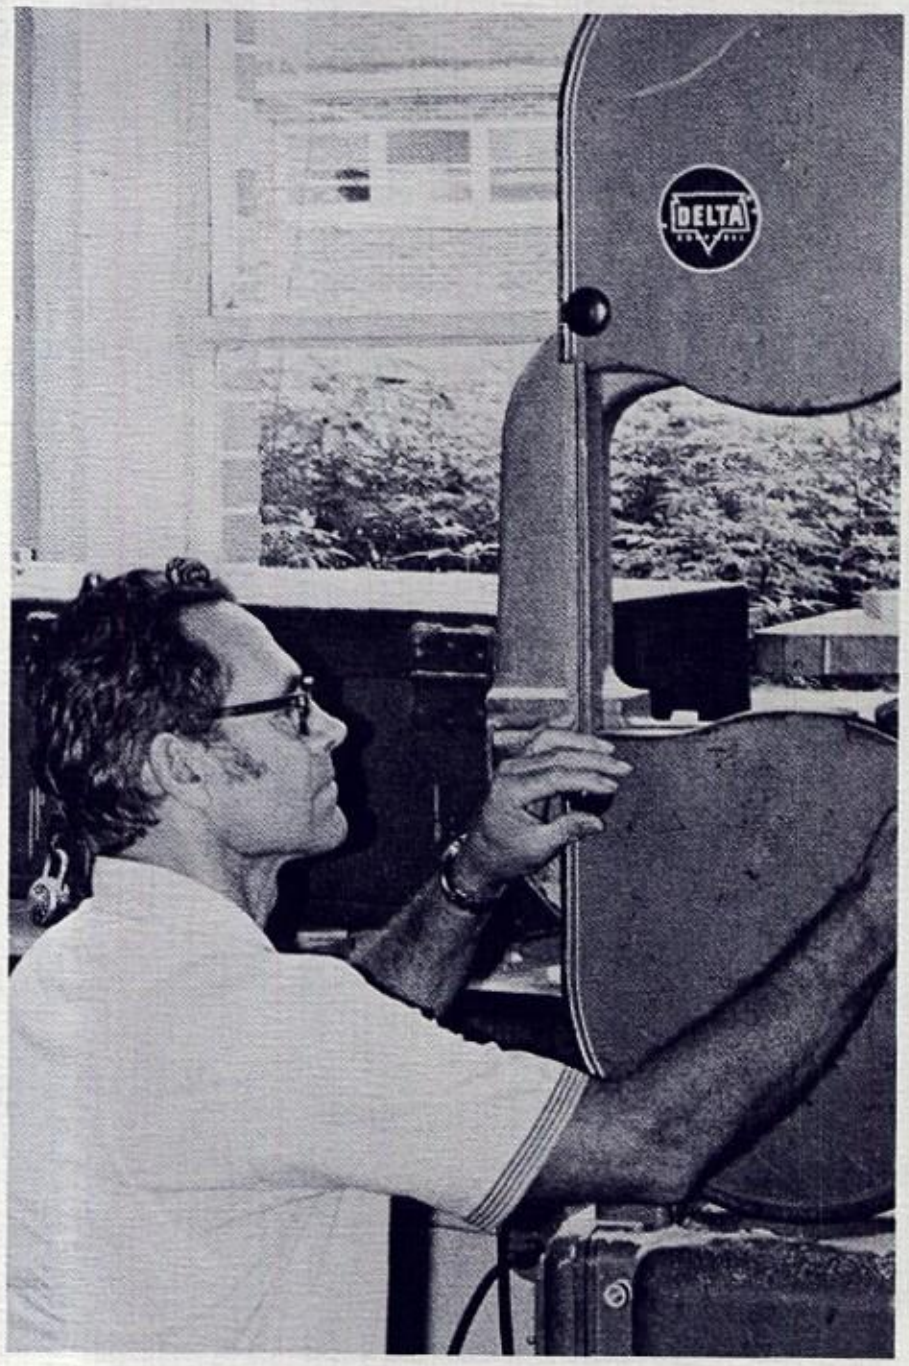
facing life as it
passes by, we only
exist to fantasy.

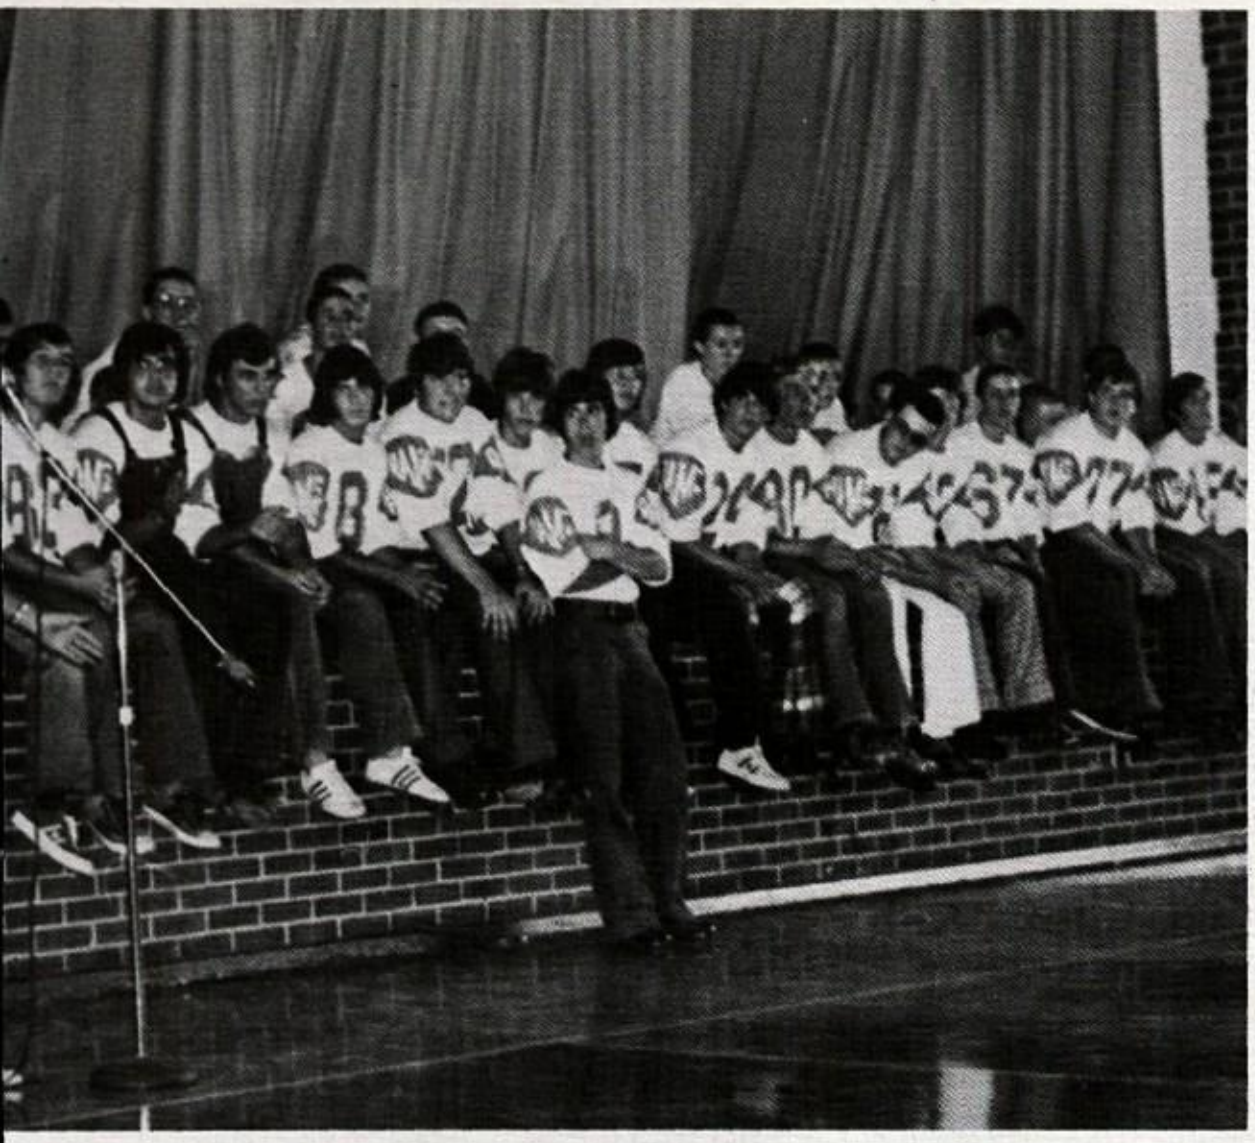




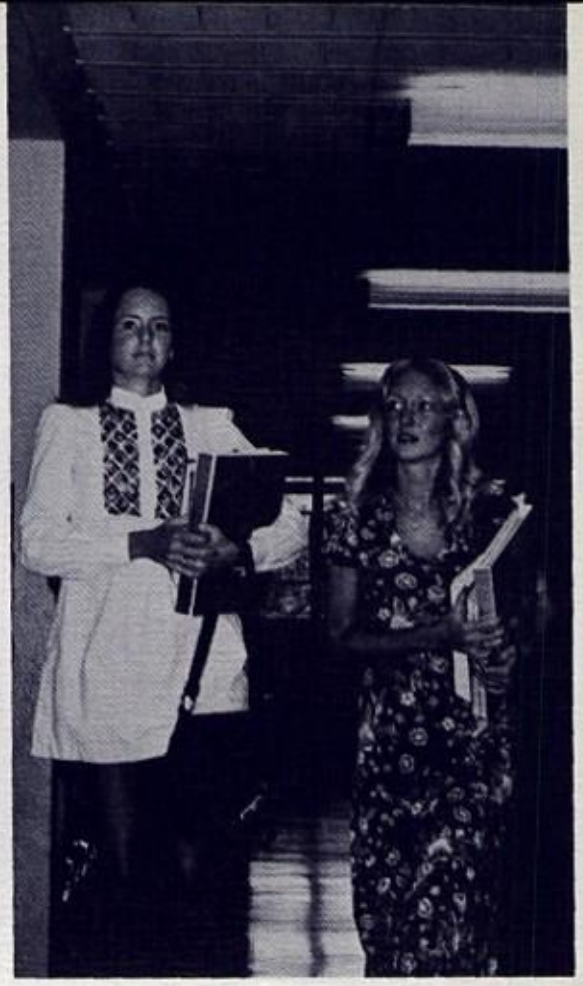


God places his
hands upon our
heads,
and imprints in time

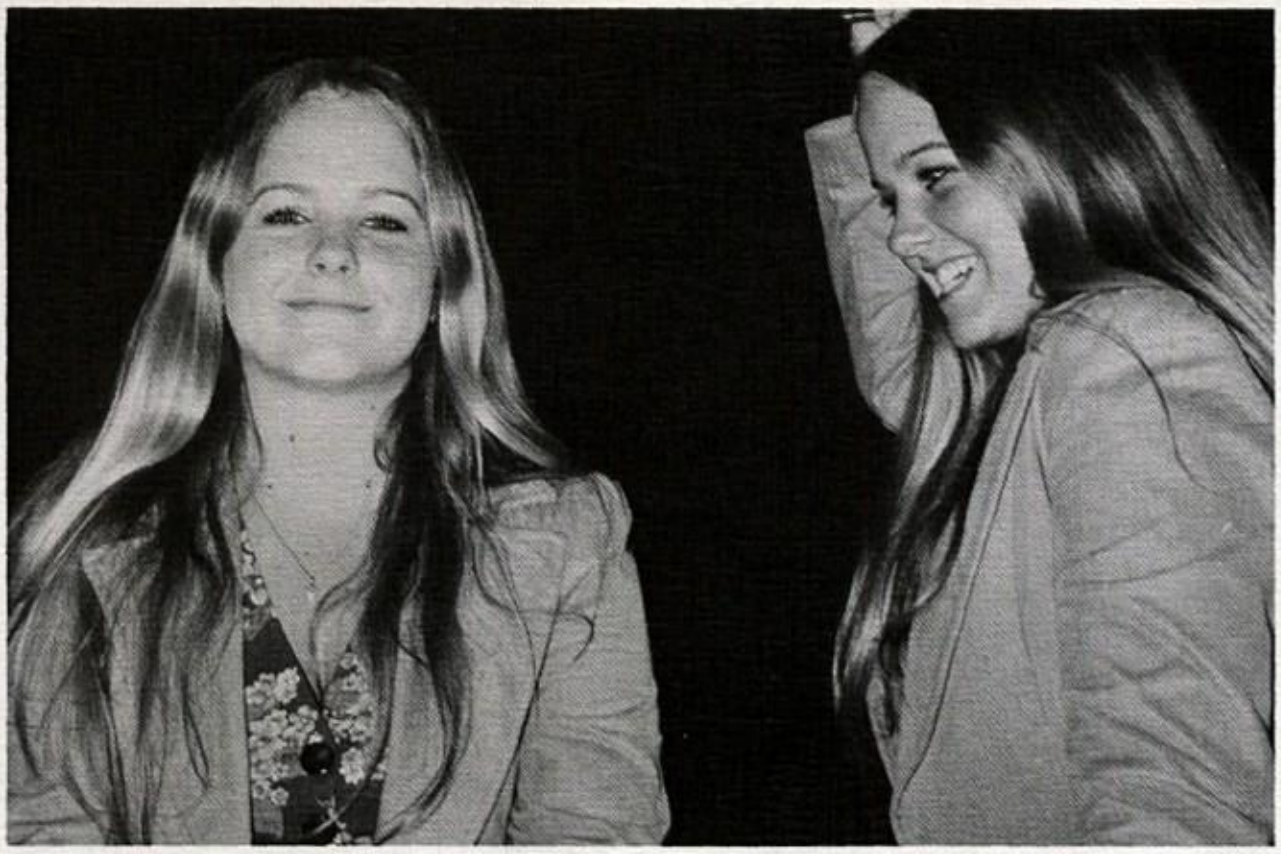




a space for each of us.

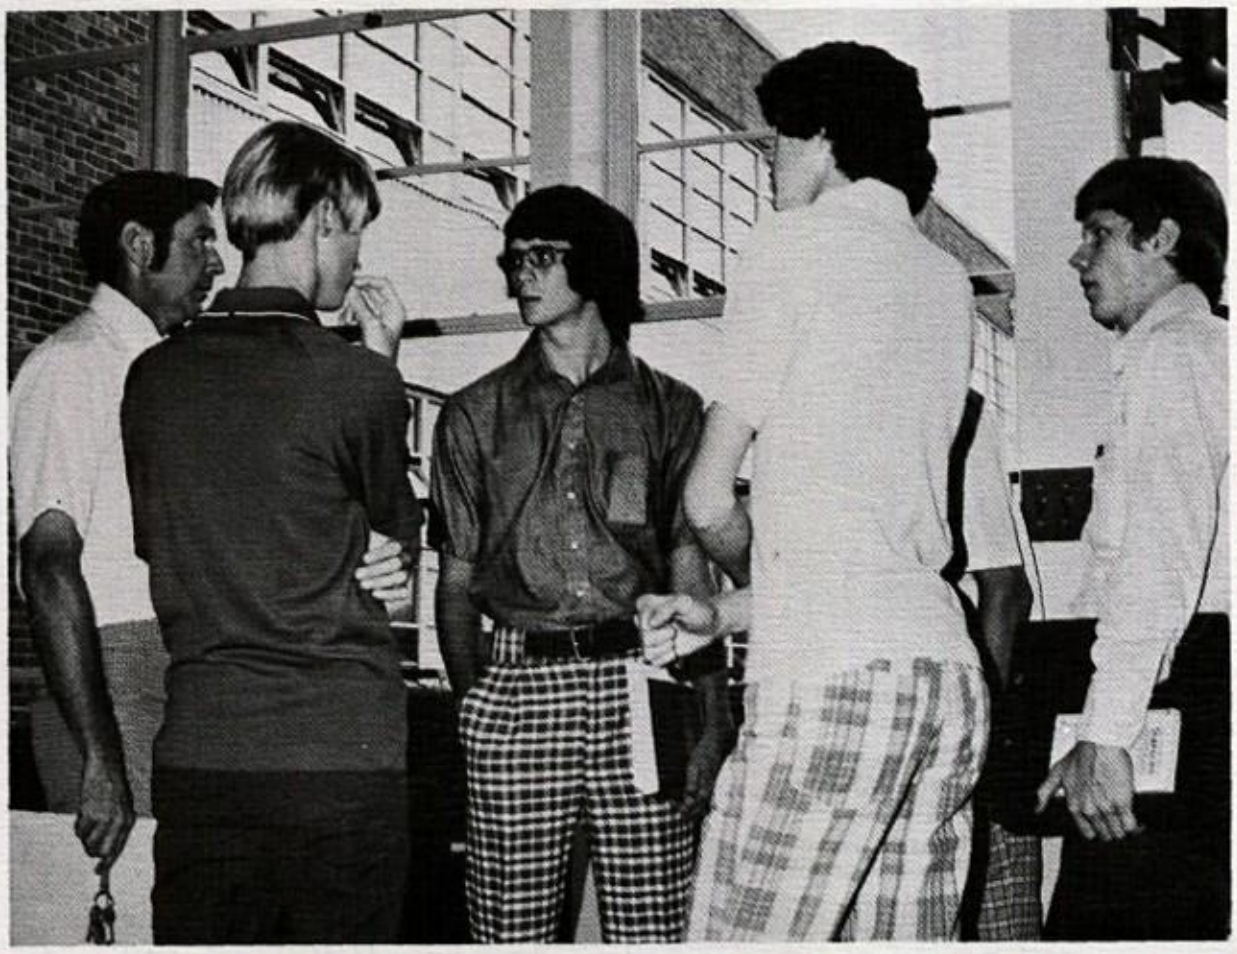


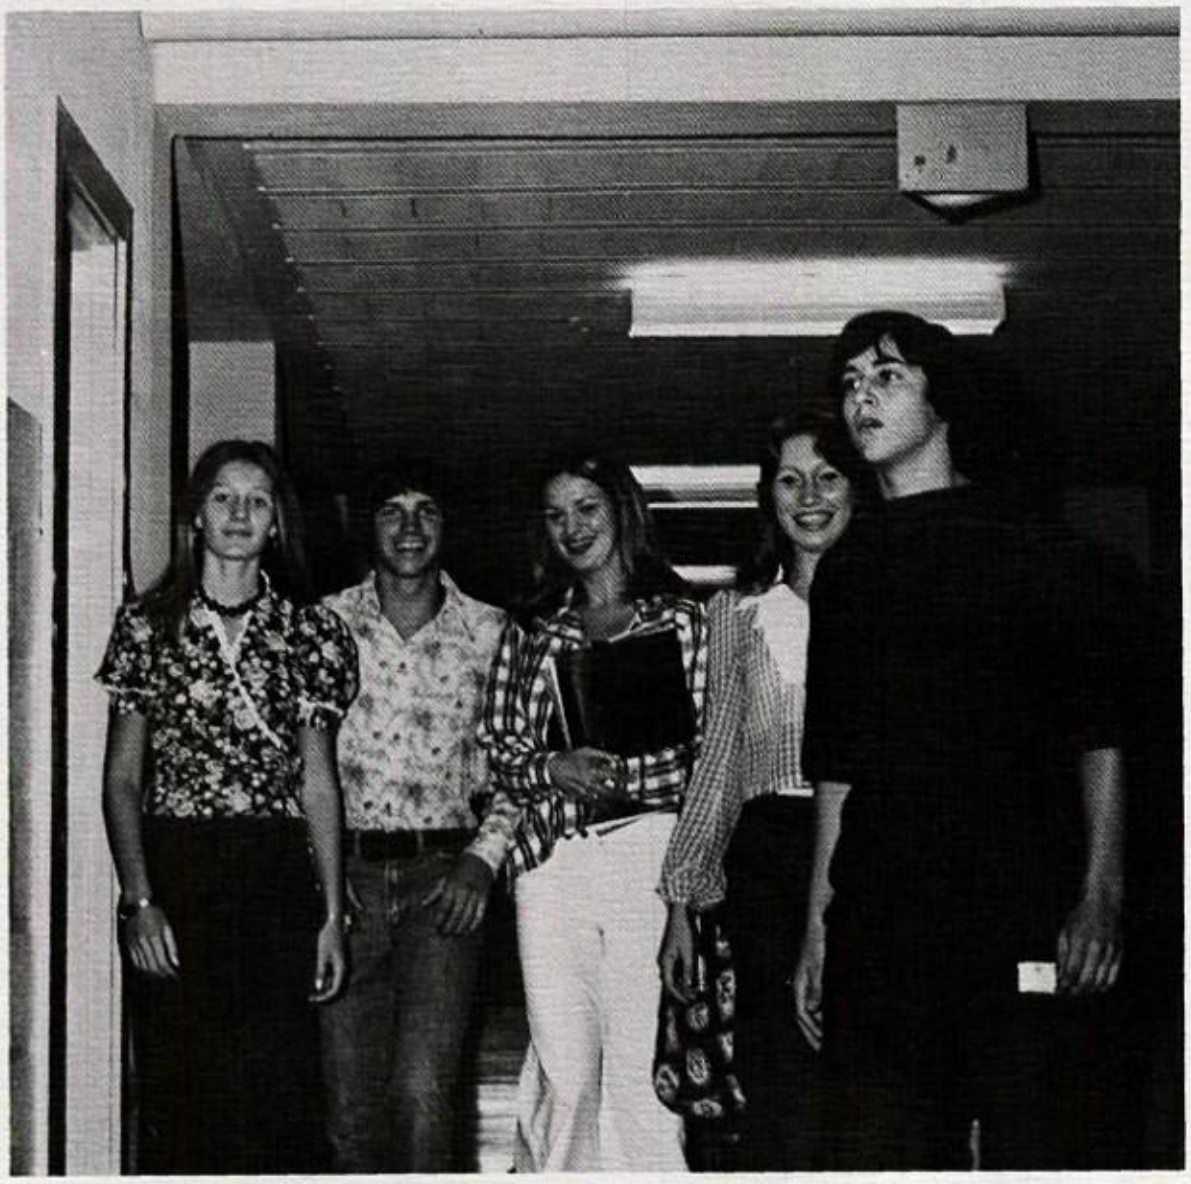
Every day should
be passed . . .



as if it were
our last.

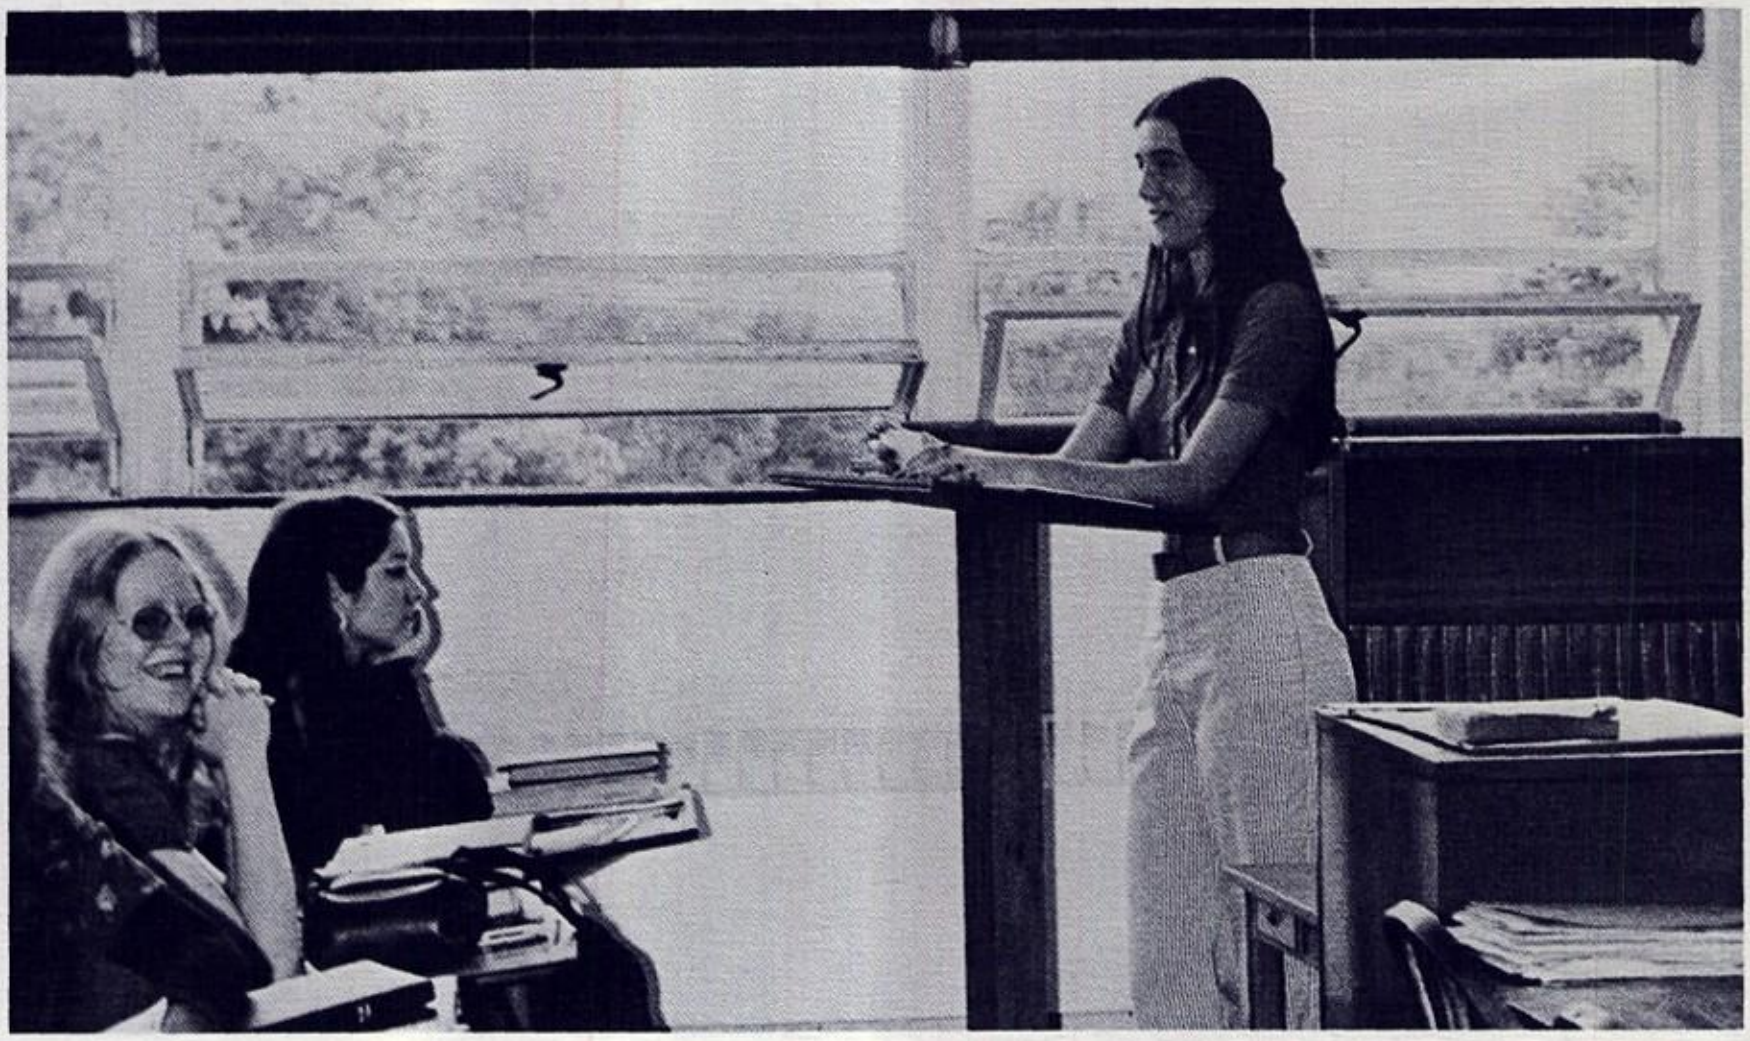
Then suddenly as the
day had dawned . . .





they faded into the
less carefree days
of adulthood.

And finally they are gone; those were the days of yesterday . . .



when we were
young . . .

Selling the annual as a package deal this year was a good idea, but it seemed that students did not understand at first. Although there were complications in the beginning, the sale went as well as usual.

This year's annual, done in modular style, contains five colored pages and various shots of school activities. Again this year, students could have their name engraved on the cover.

The Forensic Club is the backbone of the Thespians and N.F.L. The hard work that was put forth by this club brought many challenges and rewards, such as, placing first place in sweepstakes of all Metro Schools, and placing top Metro girl and/or top Metro boy each year.

To show that perfection was important to the club, members would sometimes stay after school every day to get ready for a tournament. The students showed their interest in the club through projects. Each year the club has had at least three fund raising projects for their trips to such states as Alabama, Kentucky, and Georgia.

Thespians Practiced Hard on "Trysting Place"

The Thespian Club is a club for students who are interested in acting out drama. This year, they presented the play "Trysting Place." Students also tried out for the all-star cast in the Metro Play Contest and the District Play Contest, placing persons in both casts, as Madison has done every year since the club was started. There has been a lot of stiff competition in this club, but that is one of the reasons the Thespians are so successful. Many of the students enjoy the club so much that when entering the Nationals, they chose drama as their second event.

This year for the first time Madison High chartered the Outdoor Club. The club's main objective was to obtain a better understanding of the great outdoors.

They participated in several events during the year. One of their main projects was a campout during Easter. They also saw films pertaining to such activities as hunting and fishing. Instructions were given about how to handle firearms safely.

The Club's main goal was to keep up Madison High's school spirit during both victory and losing.

The Rams

Cheerleaders Give Their All

The year of 1973-74 will be the best year ever for our cheerleaders. This year's cheerleaders are ably led by Co-Captains Cindy Seehorn and Ellen Ray. Ellen sustained a major injury during the summer but returned later in the year. The cheerleaders put in many hard hours of work for our school. The job of cheerleading demands it. Congratulations go to the cheerleaders for their courage to get in front of the student body and perform, too many times without enough help from the students.

The Thrill of Victory

Wins over Cohn and Stratford highlighted an otherwise frustrating season for the 1973 edition of the Madison Rams. The Rams got off to a bad start meeting Goodlettsville in their opener. The Trojans, rated by some polls as #1 in the AA division, rolled to a 32-0 victory. The Orangemen proceeded to lose tough games at Franklin and against Maplewood. A great effort by the Ram defense at East in which Buddy Skelton scored on a blocked punt, was erased by an Eagle touchdown in the last minute of play. That could

have turned the whole season around. In the next game, the Rams had a heartbreaking homecoming loss to Fayetteville 21-14, but the Ram offense showed improvement. In the following game, the Rams would not be denied. After trailing Cohn 10-0 at halftime, the Orange and White rallied to 10-7, 16-14, and finally won 20-16 in a real dogfight. Behind good blocking, the Madison running attack piled up yardage. Quarterback Miller Bloodworth threw a big touchdown pass to Lance Kingsbury to get the Rams back in the game.

Jonah Gentry crunched out vital yardage in the Ram's winning TD drive. Powerful Hendersonville invaded Madison to take home a 43-0 victory, the first over Madison in the history of their school. Stratford journeyed to Madison looking for a big win. The see-saw battle was tied at the end of regulation time 19-19. The Ram defense stiffened in the overtime period holding the Spartans to a field goal. On 4th down at about the

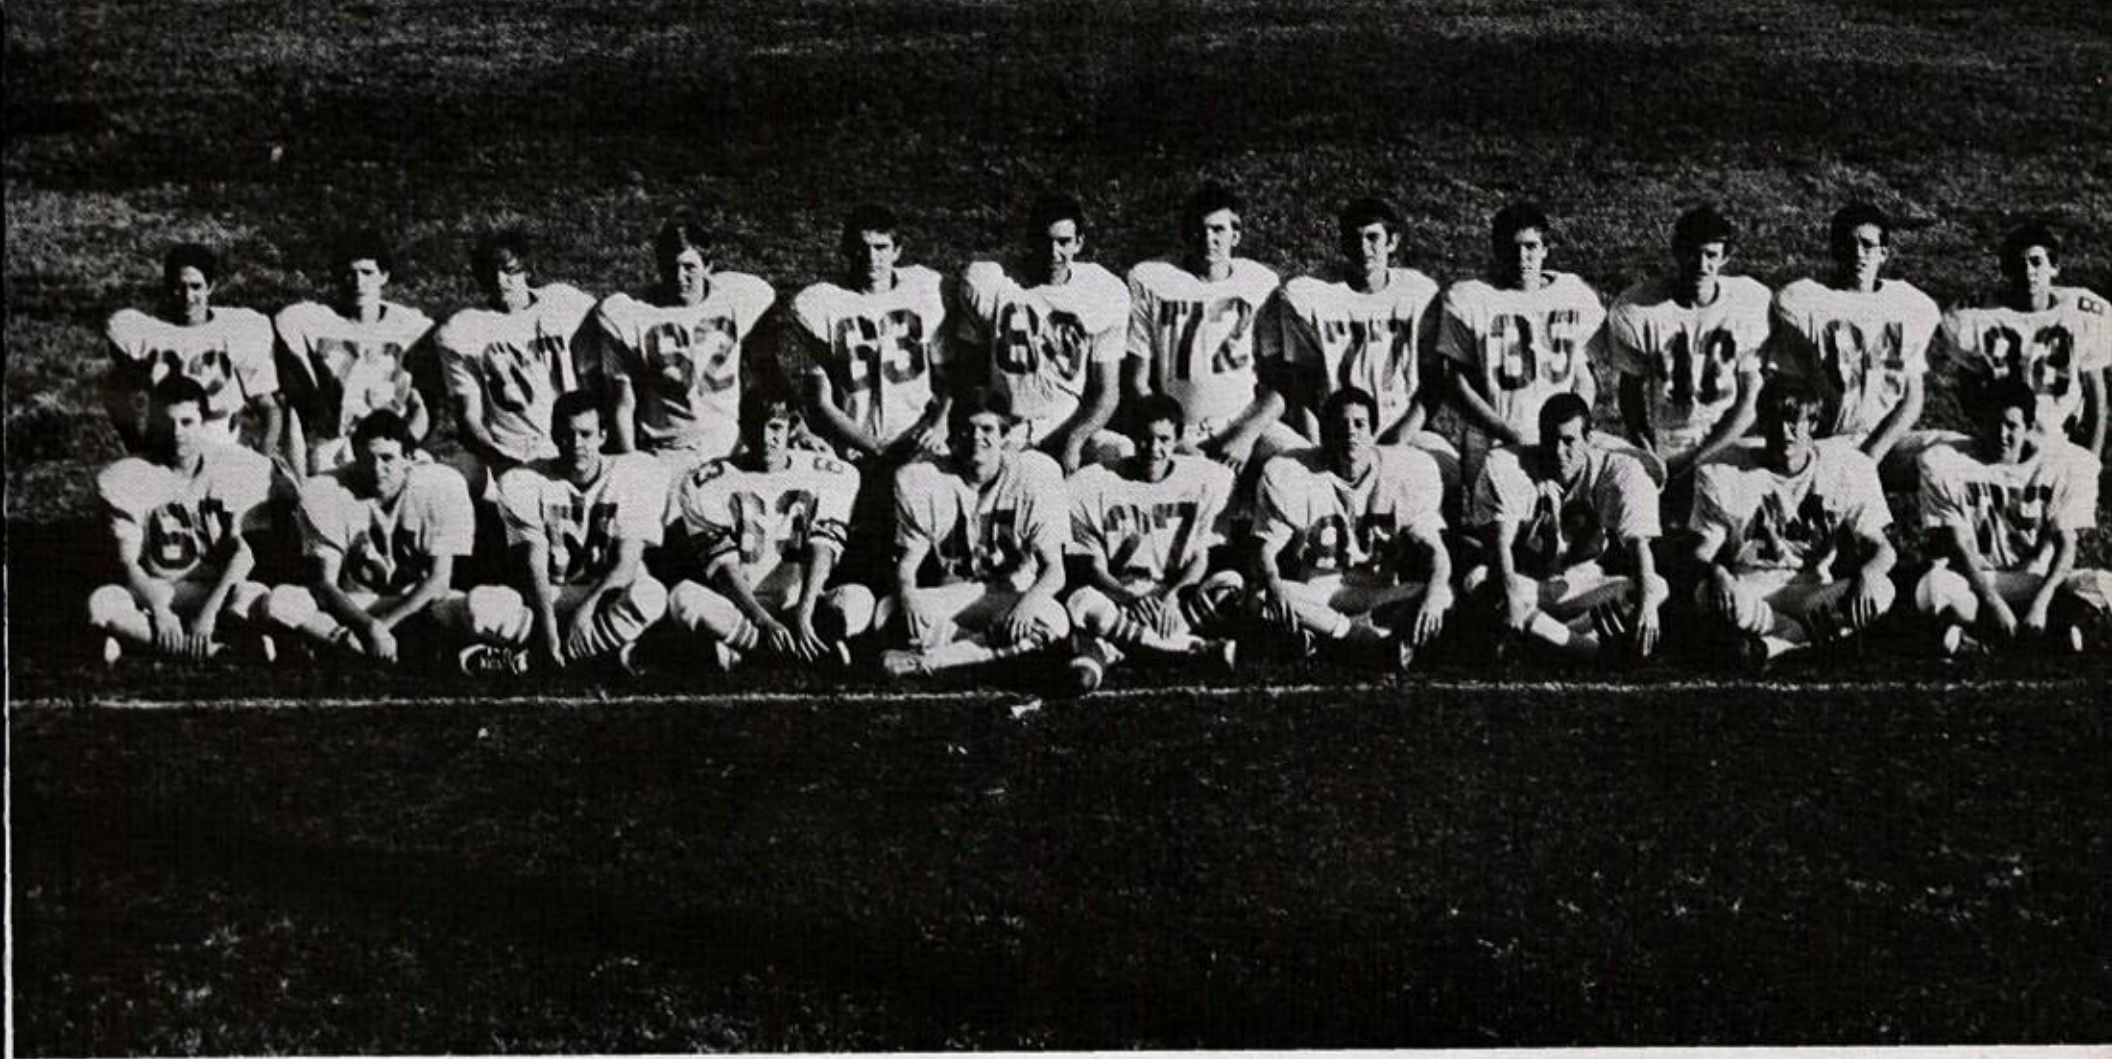
Coaches Forehand and Boyd.

Tim White lofts one over the defenders.

When most people speak of football, they generally mean the varsity. What most people don't realize is that the B team is just as important. The B team plays the same teams as the varsity. They work just as long and hard, yet they don't get the same amount of publicity.

The B team is made up of sophomores and juniors that work hard to be a part of the team. It's from the B team that come next year's varsity starters. So, even without being that well known, the B team is pretty important to Madison High football.



The 1973-74 B team players are: *(Front row)* Jay Heavener, Oscar Webb, Doug Prentice, Eddie Stubblefield, Bobby Armstrong, Jerald Jones, John Weatherford, Danny Kuckta, Mark Campbell, and Tony Stubblefield. *(Back row)* David Federico, James Burnett, Bernie Jernigan, Frank Janco, Tim Crosby, Steve Moore, Tim Harding, Ricky Fuson, Ricky Williams, Barry Brown, Jeff Christian, and Tim White.

Varsity Knows How to Win And Does It

Brad Teeples.

This year the varsity basketball team is the best that Madison has seen in the past few years. Ably led by captains Clyde Cutrer and Johnny Warren, the Rams opened the season right by beating Dupont 63-58. After a four-game slump, the varsity came back to win over Goodlettsville in a real barn burner 66-58. Continuing their streak, the victorious Rams rolled over arch-rival Stratford at Stratford 58-44. Madison then took on Bellevue and came out with a 57-45 victory. The powerful Rams then challenged Maplewood, Mt. Juliet and Hendersonville. As the Rams piled up victory after victory, this season proved to be a great one for basketball at Madison.

B Team Stuffs It in

For the most part, B team basketball is not talked of as much as the varsity. Yet the B team is where many players become proficient enough in the game to join the varsity squad. The B team games are just as exciting as the varsity games, especially when there is a big upset in the making. When another player is needed or one gets hurt, the new person comes from the B team. Even though the B team is not that big, it knows how to win too.

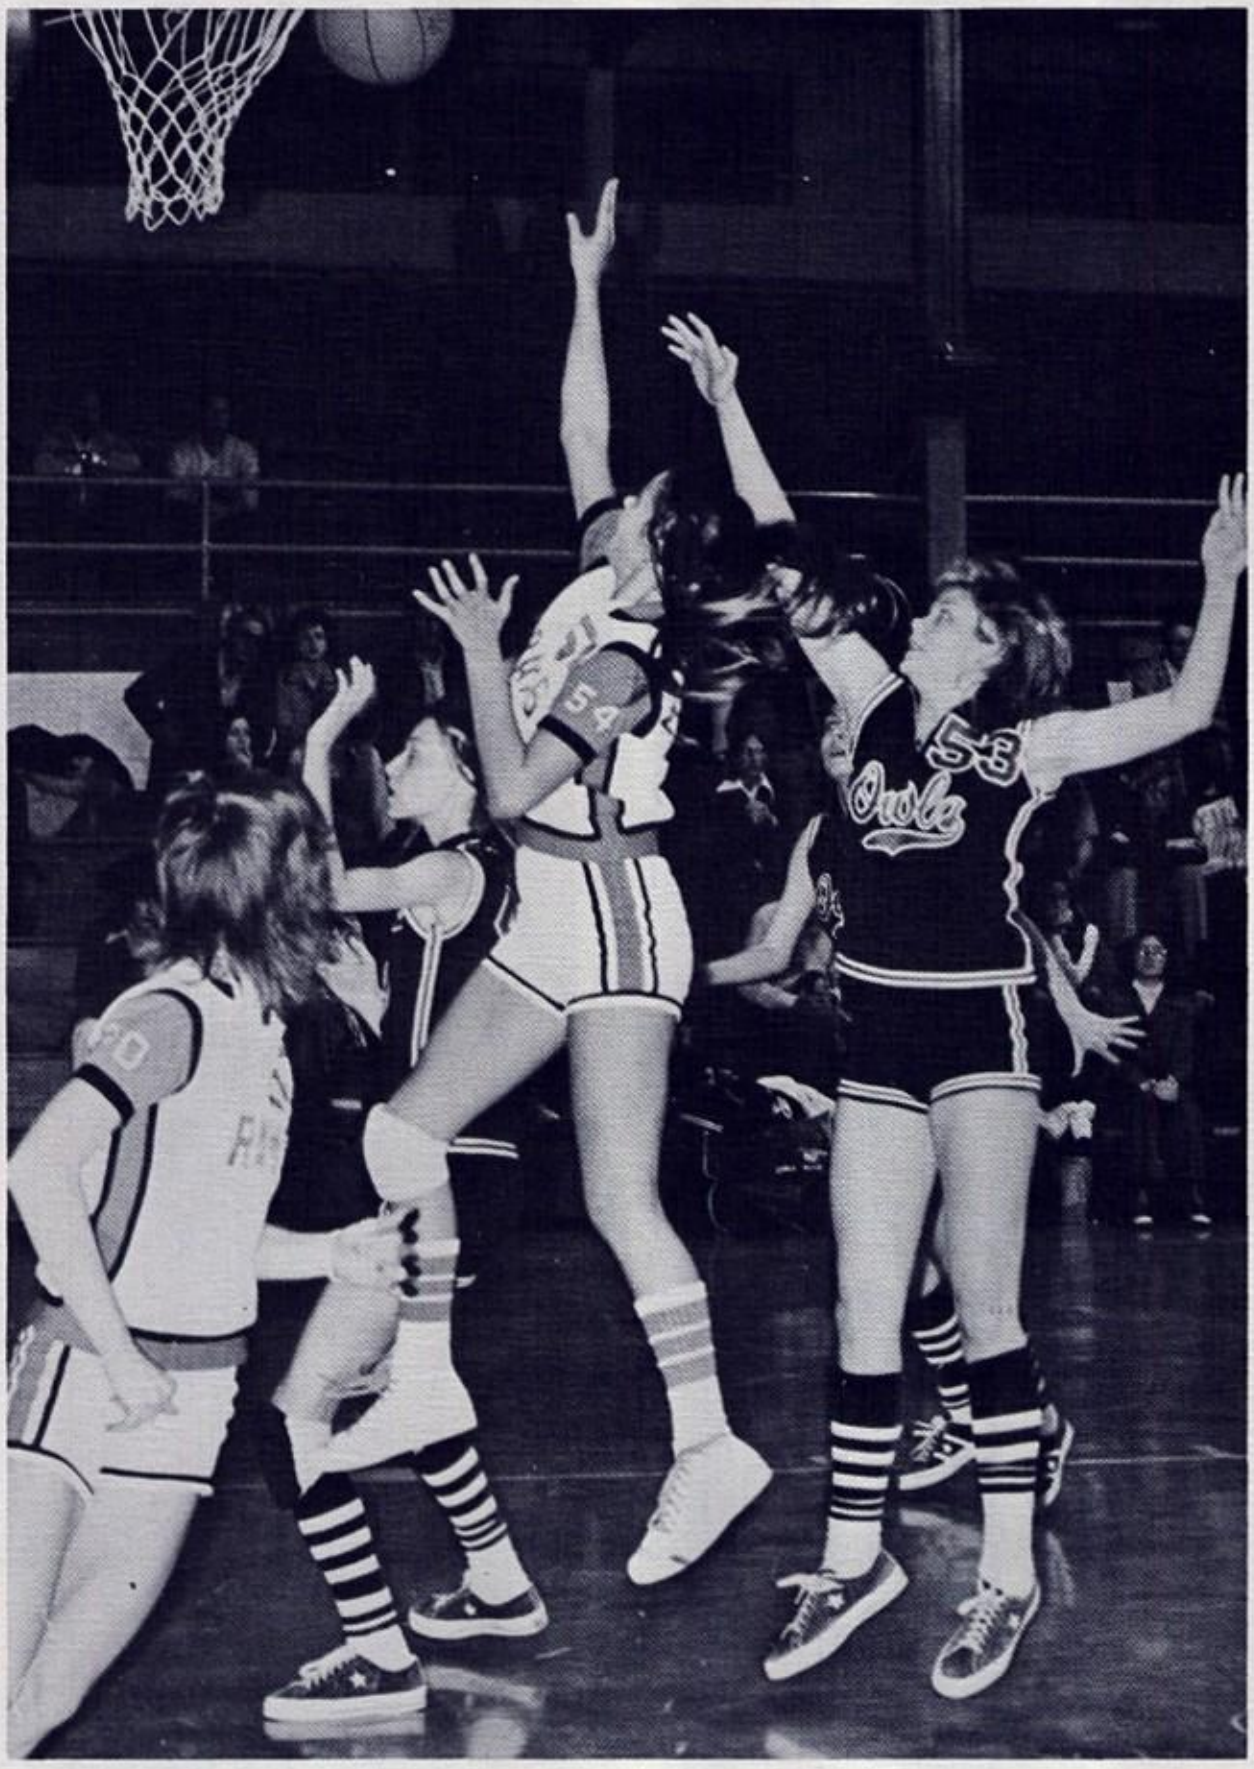
The Girls Varsity, Mighty in Victory And Defeat



Debbie Rochelle goes for two.

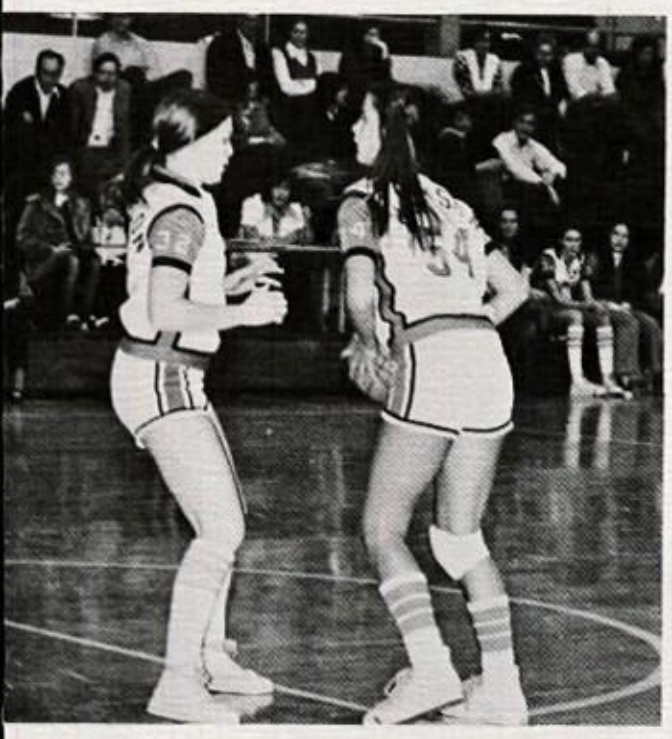
Annette Menees.

The 1973-74 girls basketball team started their season with two great opening victories over Dupont and North. The North game was played on their home court; nevertheless, the mighty Ramettes brought home a victory 52-50. After losing two tough games to McGavock and Gallatin, the Ramettes defeated East, Goodlettsville, and Stratford only to be stopped by Bellevue. The girls varsity then took on Maplewood, Mt. Juliet, and Hendersonville in what proved to be exciting, hard fought games.

This year's girls varsity team has proved to be the best in many years and with the coming of next year, that girls team will be hard pressed to break the record that this years team set.



Now here's what we do . . .

Although the 1973-74 girls B team was not rated number 1, they still showed that never-die Ram spirit. This year the junior Ramettes played some of their toughest opponents to date, pulling off several victories.

Baseball Team Slides on Through

Gary Faulkner

After winning only four games during the regular season, the 1973 baseball RAMS achieved a respectable second place, finishing in the Eastern Division's post-season tournament. The season-ending rally included impressive revenge wins over Hendersonville, Dupont, and East. Only McGavock reigned undefeated, holding off the Rams 8-1 in the tourney finals.

Rams Romp on

Pitching staffers Ken Grissom, Gary Lynn, Mark Payne, and Don Mundy were victims of inconsistent fielding and overwork during a rash of extra-inning contests, none of which the Rams won. Team captain Mike Mosley was voted most valuable player by the team, basically on tournament play.

The 1972-73 season was one of readjustment for the track team. Starting mainly with a young team, they still showed all opponents that never-die Ram spirit. Mike Card, in the high jump, set a new school record of 6′1″. Hank Laux, running in great pain, came within one tenth of a second of breaking the school record in the 880-yard run. Mark Campbell was the top distance man on the team, while Greg Barrass, after much improvement during the year, should become one of the top hurdlers the next season.

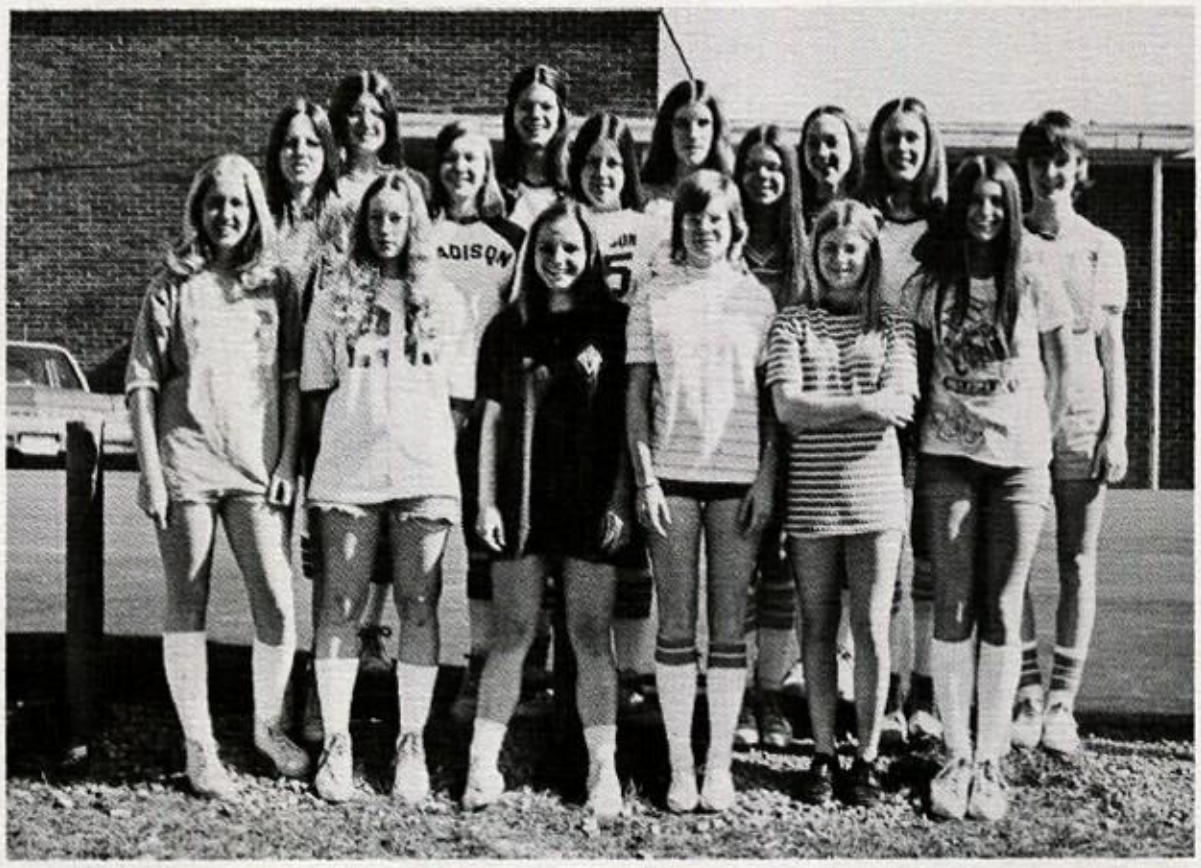
Girls Track Makes Its Debut

This year's spring sports season was greeted with the new arrival of girls track. The team, under the direction of Miss Sparkman, started from scratch and began the evolvement of girls track at Madison into full fledged competition with other schools. It will take time, but girls track has already started towards the goal of becoming number one.



Madison's first girls track team members are: *(1st row)* Anne Pendarvis, Sylvia Carter, Susan Harris, Denise Widick, Penny Partain, Debbie Rochelle. *(2nd row)* Dolly Berry, Linda Allen, Jill Bozarth, Dina Lee, Annette Menees, Pam Chambers. *(3rd row)* Terri Ramsey, Cindy Hughes, Susan Crowder, and Jane Mays.

Wrestlers Roll Them Over

Some of the wrestlers are: Rick Rowe, Rick Gillespie, James Burnett, Kevin Vinett, and Gene Massey. These guys had lost only one match by mid season. This year's wrestling team has been very tough, and one of Madison's best.

As the season opened, the 1973-74 wrestlers really showed that winning was what the game was about. Defeating all early and mid-season opponents except one, the wrestlers quickly headed for the top of the charts. The Ram wrestlers then went to the Stratford Invitational tournament in which heavyweight Gene Massey finished third in his division. The wrestling team then took on Cohn and came away with another victory.

Tennis Teams Take On

The boys tennis team of 1972-73, while not always coming out on top, did win in several tough games. Being an Outstanding Student

Don Blanton and Kevin Brady were chosen as delegates for Boys' State to represent Madison. The purpose of Boys' State is to give students a chance to learn the operation of government in Tennessee.

The boys are divided into cities, attend lectures, listen to various speakers, and discuss what they have learned. They also get acquainted with different people and make a lot of new friends.

The student council sent Ellen Ray and Kay Harlan to Girls' State last summer. The girls attended MTSU for a week and learned about the government.

The delegates were divided into cities, each working on three projects, trying to win the best city award. At the banquet on the final evening, Kay's city won.

Kay and Ellen said that making friends was the best part. They felt learning and knowing others was an experience in itself.

Pictured at right are: Don Blanton, Kay Harlan, Kevin Brady, Ellen Ray.

Can Bring Very Prominent Awards

Recipient of the 1974 Civitan Medal was Don Blanton. His ability to achieve, leadership, and citizenship are a few of the characteristics Don possesses that make him best choice for this award.

As a sophomore, Don was a member of Student Council; his junior year, he was a delegate for Boys' State; and this year serves as a member of the Officer Advisory Council. Don also served on the Prom Committee, is in the top ten percent of his class, and is an office worker.

Don's influence on others and his willingness to work have rewarded him in many ways.

Kay Harlan is the recipient of this year's D.A.R. Medal. She was chosen for her outstanding personality and leadership.

Kay served as class secretary her sophomore year, was a delegate for Girls' State last year, and this year she serves as secretary to the student body. On top of these accomplishments, Kay was a finalist for Miss Madison, voted as "Best Groomed Senior Girl," and is a member of the Quill and Scroll Society.

All these assets combined make Kay a very deserving Medalist.

Alan Dugger, *President*
Ellen Ray, *Secretary*

Was it really three years ago since we were freshmen? But the time has passed so quickly and at long last, the day we have been looking toward has finally come. In a few weeks, the thrill and excitement of it all will just be memories. But in years to come, those "good ole school days" will be our most pleasant thoughts. We will consider it wonderful to have been a part of the only graduating class of 1974 from Madison High School.

Alan, Clyde, Ellen, and Ronnie have helped to make this a very successful year to remember.

Juniors' Role Begins With Dignity

We lived many lives in those whirling campaigns, never sparing ourselves any good or evil; yet when we had achieved, and the new world dawned, the old men came out again, and took from us our victory and remade it in the likeness of the former world they knew. Youth could win, but had not learned to keep, and was pitiably weak against age. We stammered that we had worked for a new heaven and a new earth, and they thanked us kindly, and made their peace. When we are their age, no doubt we shall serve our children so.

T. E. Lawrence

From the Christmas card sale, Junior-Senior Prom, to the class rings, the Junior class has received the services of three officers. This year's officers are: President Ned Gilliland, Secretary Sheila Greene, Vice-President Mike Green.

These officers have shown leadership, enthusiasm, and interest in this school. They have worked to make Madison a better place.

Doors Open for Sophomores

In every work of genius we recognize our own rejected thoughts: they come back to us with a certain alienated majesty. Great works of art have no more affecting lesson for us than this. They teach us to abide by our spontaneous impression with good humored inflexibility the most when the whole cry of voices is on the other side.

Ralph Waldo Emerson

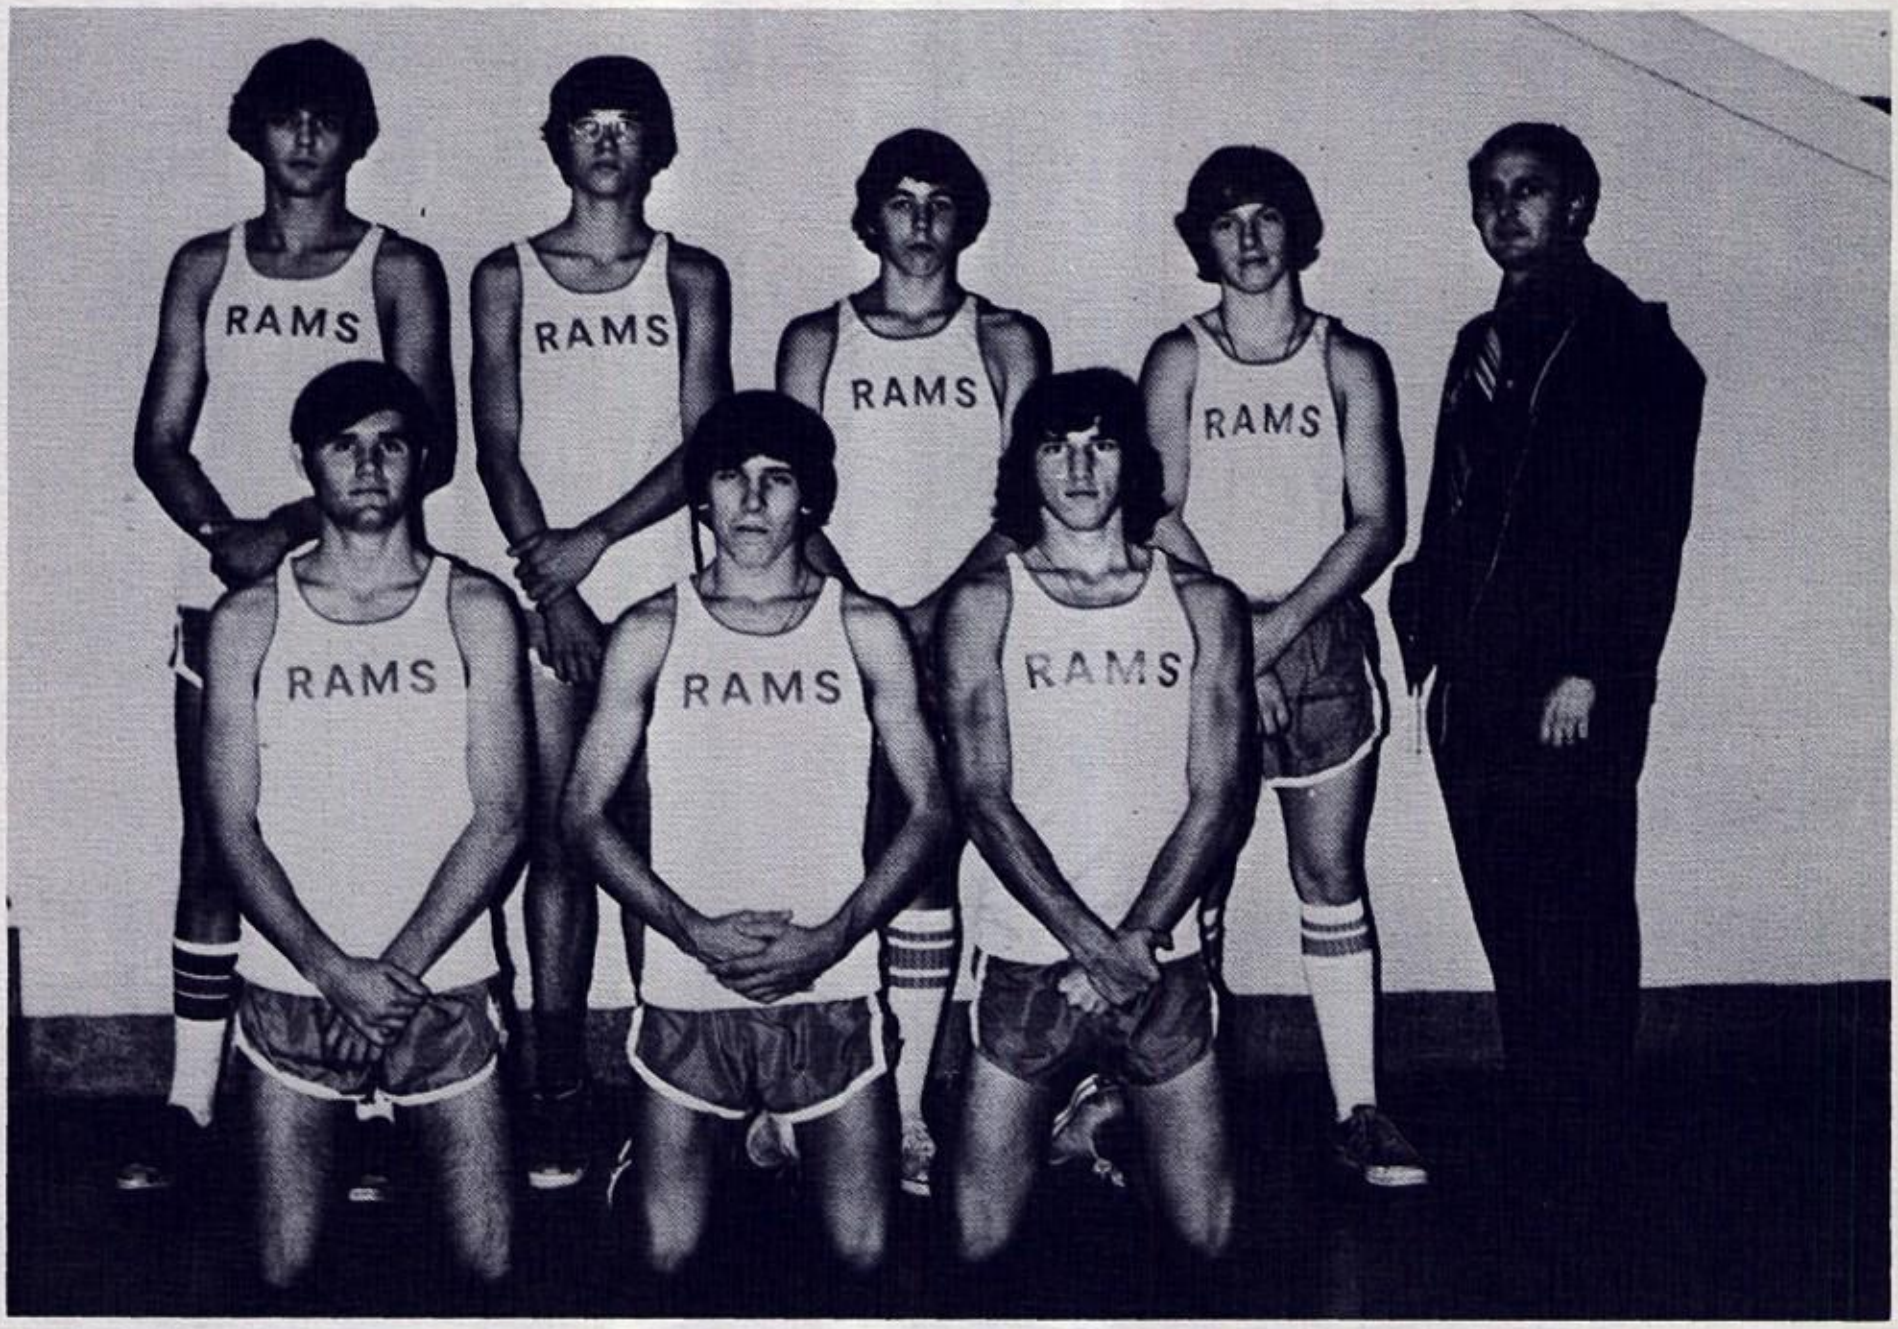
Cross Country Joins Sports

The 1973-74 year was the year of additions in sports. One of the teams that made its appearance this year was Cross Country. The members of the team ran in an event which is three miles long. To be on the Cross Country team takes strength, energy, and stamina. These boys proved that they can win and with several of them returning next year, should make a strong team.



The 1973-74 team members are: *(Kneeling)* Robert Brown, David Cantrell, Kenny Nichols. *(Standing)* Barry Clark, Barry Johnson, David Merlin, and Mike Hewgley. Coach Hall.
